Ross Labrie

The Still Point Reflections On Zen And Christian Mysticism:

The Still Point William Johnston, 1971 **The Still Point: Reflections on Zen and Christian Mysticism** William Johnston, 1970 **The Wiley-Blackwell Companion to Christian Mysticism** Julia A. Lamm, 2017-02-06 The Wiley Blackwell Companion to Christian Mysticism brings together a team of leading international scholars to explore the origins evolution and contemporary debates relating to Christian mystics texts and the movements they inspired Provides a comprehensive and engaging account of Christian mysticism from its origins right up to the present day Draws on the best of current scholarship by bringing together a collection of newly commissioned readings by leading scholars Considers examples of mysticism in both Eastern and Western Christianity Offers a brilliant synthesis of the key figures and historical periods of mysticism its core themes such as heresy gender or aesthetics and its theoretical considerations including theological literary social scientific and philosophical approaches Features chapters on current debates such as neuroscience and mystical experience and inter religious dialogue **Christian Mysticism** Harvey D. Egan SJ, 1998-09-16 Christian mysticism is unique in its view of Jesus death and resurrection as the very cause and exemplar of the mystical life in all its purity Jesus saving death on the cross exemplifies the mystical letting go of everything consoling tangible and finite in order to surrender totally to the mystery of the Father s unconditional love In this introduction to Christian mysticism Reverend Harvey Egan S J presents four Christian mystics as paradigms of the classical tradition St Ignatius of Loyola St Teresa of Avila St John of the Cross and the unknown author of the Cloud of Unknowing From this foundation he moves to two contemporary figures Thomas Merton and Pierre Teilhard de Chardin each of whom reflects a contemporary transposition of the two mystical traditions the apophatic which emphasizes the radical difference between God and creatures and the kataphatic which emphasizes the similarity between God and creatures [Zen and the Brain](#) James H. Austin, 1999-06-04 A neuroscientist and Zen practitioner interweaves the latest research on the brain with his personal narrative of Zen Aldous Huxley called humankind s basic trend toward spiritual growth the perennial philosophy In the view of James Austin the trend implies a perennial psychophysiology because awakening or enlightenment occurs only when the human brain undergoes substantial changes What are the peak experiences of enlightenment How could these states profoundly enhance and yet simplify the workings of the brain Zen and the Brain presents the latest evidence In this book Zen Buddhism becomes the opening wedge for an extraordinarily wide ranging exploration of consciousness In order to understand which brain mechanisms produce Zen states one needs some understanding of the anatomy physiology and chemistry of the brain Austin both a neurologist and a Zen practitioner interweaves the most recent brain research with the personal narrative of his Zen experiences The science is both inclusive and rigorous the Zen sections are clear and evocative Along the way Austin examines such topics as similar states in other disciplines and religions sleep and dreams mental illness consciousness altering drugs and the social consequences of the advanced stage of ongoing enlightenment *Zen and the Kingdom of*

Heaven Tom Chetwynd, 2001-03 Using the teachings of Christ and the writings and stories of Christian spiritual masters Chetwynd delves into the history of the tradition of meditation within Christianity Zen the Kingdom of Heaven offers provocative insights into the role of meditation in the East and the West **John of the Cross and the Cognitive Value of Mysticism** Steven Payne, 1990-07-31 This book is a significant contribution to the literature on mysticism and the epistemology thereof It is recommended to all those interested in the mystics and in the question of the cognitive value of mysticism Review of Metaphysics March 1992 **Thomas Merton and the Inclusive Imagination** Ross Labrie, 2001 Thomas Merton 1915-1968 was a Roman Catholic priest a Trappist monk a social activist and a poet Author of the celebrated autobiography *The Seven Storey Mountain* Merton has been described as the most important American religious writer of the past hundred years One of the notable characteristics of Merton's writing both in poetry and in prose was his seamless intermingling of religious and Romantic elements an intermingling that because of his gifts as a writer and because of his enormous influence has had the effect of making widespread a distinctive form of religious thought and expression In *Thomas Merton and the Inclusive Imagination* Ross Labrie reveals the breadth of Merton's intellectual reach by taking an original and systematic look at Merton's thought which is generally regarded as eclectic and unsystematic **Key Theological Thinkers** Svein Rise, 2016-04-22 The 20th and 21st Centuries have been characterized by theologians and philosophers rethinking theology and revitalizing the tradition This unique anthology presents contributions from leading contemporary theologians including Rowan Williams Fergus Kerr Aidan Nichols G R Evans and Tracey Rowland who offer portraits of over fifty key theological thinkers in the modern and postmodern era Distinguished by its broad ecumenical perspective this anthology spans arguably one of the most creative periods in the history of Christian theology and includes thinkers from all three Christian traditions Protestant Catholic and Orthodox Each individual portrait in this anthology includes a biographical introduction an overview of theological or philosophical writing presentation of key thoughts and contextual placing of the thinker within 20th Century religious discourse Overview articles explore postmodern theology radical orthodoxy ecumenical theology feminist theology and liberation theology A final section includes portraits of important thinkers who have influenced Christian thought from other fields not least from Continental philosophy and literature **The Buddhist Forum, Vol. II** T. Skorupski, 2005-08-09 First Published in 1991 Routledge is an imprint of Taylor Francis an informa company **Ecumenical Directions in the United States Today: Churches on a Theological Journey** Antonios Kireopoulos, Juliana Mecera, 2014-05-14 Proceedings of a conference held in July 2007 at Oberlin College

Wordsworth and the Zen Mind John G. Rudy, 1996-03-28 This book demonstrates that Zen thought and art provide both a generative and a formative context for understanding the spirituality of the English poet William Wordsworth 1770-1850 Combining methods of modern literary scholarship with the philosophical initiatives of the Kyoto School the text crosses disciplines as well as cultures offering a nonmonotheistic nonpantheistic philosophical ground upon which to study what

Wordsworth calls the tranquil soul and the one Presence that underlies the great whole of life Anticipating a variety of audiences the discourse progresses from general introductory level discussions of Zen philosophy and literature to the more technical philosophical idiom of the Kyoto School employing intertextual readings of a variety of Wordsworthian and Zen documents to broaden and deepen the East West dialogue as it has been unfolding since the pioneering work of D T Suzuki and Kitaro Nishida An important aspect of this study is its twofold purpose to situate Wordsworth more centrally in the evolving global community of intercultural and interreligious communication and to demonstrate the unique flexibility and universality of Zen as a medium of spiritual growth and aesthetic understanding

Why Read Four Quartets? Tom Brous, 2017-10-03 *Why Read Four Quartets* is offered to encourage readers unfamiliar with T S Eliot's masterpiece to take up read and inwardly digest these beautiful and sacred poems Commentary is offered to hopefully make the poems more accessible to a general reader Most critics and commentators do not seem to take Eliot's own spirituality seriously or at least they don't choose to comment on it Literary analysis is often emphasized to the exclusion of viewing the quartets in a personal or biographical manner In sharp contrast to these typical studies this book endeavors to show that the quartets along with his earlier post 1927 poetry *Ariel Poems* and *Ash Wednesday* can be read as the story of Eliot's own mystical journey to the Divine

The Spiritual Way Philip Sheldrake, 2019-08-08 *In The Spiritual Way* Classic Traditions and Contemporary Practice Philip Sheldrake aims to make the wisdom of Christian spirituality better known to contemporary readers After an introductory chapter on the foundations of Christian spirituality Sheldrake describes its diverse riches through the centuries in terms of five distinctive types of Christian spiritual wisdom illustrated by a rich selection of classical examples The five types are The Way of Discipline The Contemplative Mystical Way The Way of Practical Action The Way of Beauty and The Prophetic Way This book also briefly explores the contemporary interest in spirituality within and beyond conventional religion and suggests how we might engage with these five types on our spiritual journeys in today's world

Christian Spirituality Arthur Holder, 2009-09-10 *Christian Spirituality The Classics* is a unique and comprehensive guide to thirty key Christian spirituality texts Ranging from Origen and Augustine to Jonathan Edwards Thérèse of Lisieux and Thomas Merton it offers a view of the texts which is founded in scholarship but which also presents them as living documents that invite even compel contemplative reflection and existential response Each chapter briefly describes the classic text's author and audience gives a synopsis of its contents suggests some of its influence in history and then explores aspects of the text's meaning for readers today Key themes include What is the meaning of life How can human beings find truth How can they discover who they really are How can they live together in peace How can they live more fully in God's presence in this world and be united with God in the world to come The scholars who have written these chapters are all experts on their respective topics but they wear their learning lightly Anyone wishing to discover the riches of Christian spirituality will find this the ideal introduction and should be able to progress to a deeper understanding of the texts themselves **Rahner**

Beyond Rahner Paul G. Crowley, 2005-11 One hundred years after the birth of Karl Rahner the contributors to this book ask whether and how Rahner's theology can address new religious and cultural realities in the twenty first century particularly those realities found on what has come to be called the Pacific Rim stretching from California and Latin America and across the Pacific Ocean to Asia this geographic region manifests an incredible cultural and religious diversity but also many points of intersection and interpenetration resulting in new forms of religion and spirituality The theological categories generated by Rahner such as the anonymous Christian and even the notion of a world church meet steep challenges when read in contexts very different from that of Germany and the theological currents of the Atlantic At the same time the encounter between Rahner and the Pacific Rim results in fresh readings of Rahner not previously imagined not only in places like China and Mexico but even Los Angeles Anchored by a seminal essay by Francis X Clooney S J Harvard contributors include Thomas Sheehan Stanford Catherine Bell Santa Clara and George Grier S J Berkeley Each essay examines the possibilities and limitations of Rahner's theology in this newly configured Pacific world Passionate Uncertainty Peter McDonough, Eugene C. Bianchi, 2003-09 Publisher Fact Sheet An intimate look drawn from hundreds of interviews and statements from Jesuits and former Jesuits at the turmoil among Catholicism's legendary best and brightest

Self/Other Heather Walton, Andrew W. Hass, 2000-03-01 This collection of essays explores the way our notions of self other subjectivity gender and the sacred text are being re-visioned within contemporary theory These new ways of conceiving create upheavals and radical shifts that rework our understanding of philosophical psychological political sexual and spiritual identity allowing us to trace the fault lines regulatory forces exclusions and unmarked spaces both within our selves and within the discourses that attend these selves As such revisionings break down borders and the encounter of literature and theology becomes a crucial focus for these explorations as the self learns to resituate its own being creatively vis-à-vis others and ultimately the Other **Foundations of Spirituality** Carla Mae Streeter, 2013-01-01 How does the Holy come to meet the human Or said another way how does God work with the physical psychic and spiritual persons that each of us are Scholarly approaches to spirituality often overlook the need for a sound anthropology as the base for explaining conversion the dynamic of grace and the effects of conversion in virtue theory In *Foundations of Spirituality* longtime educator Carla Mae Streeter provides a more adequate account of what it means to be a person before God By mining the insights of Bernard Lonergan on human consciousness and the virtue theory of Thomas Aquinas she presents a clear and integrated incarnational spirituality Streeter argues that God works with precisely what God has made enhancing it rather than overriding or disposing of it The basic premise of this book is that every person is called to holiness which comes about through the relationship of the human with the Divine It is a divine summons heard and responded to by a human being Carla Mae Streeter OP is professor emerita at the Aquinas Institute of Theology in St Louis Missouri where she continues to teach in the areas of systematic theology and spirituality **Self and No-Self** Dale Mathers, Melvin E. Miller, Osamu

Ando,2013-12-16 This collection explores the growing interface between Eastern and Western concepts of what it is to be human from analytical psychology psychoanalytic and Buddhist perspectives The relationship between these different approaches has been discussed for decades with each discipline inviting its followers to explore the depths of the psyche and confront the sometimes difficult psychological experiences that can emerge during any in depth exploration of mental processes Self and No Self considers topics discussed at the Self and No Self conference in Kyoto Japan in 2006 International experts from practical and theoretical backgrounds compare and contrast Buddhist and psychological traditions providing a fresh insight on the relationship between the two Areas covered include the concept of self Buddhist theory and practice psychotherapeutic theory and practice mysticism and spirituality myth and fairy tale This book explains how a Buddhist approach can be integrated into the clinical setting and will interest seasoned practitioners and theoreticians from analytical psychology psychoanalytic and Buddhist backgrounds as well as novices in these fields

The book delves into The Still Point Reflections On Zen And Christian Mysticism. The Still Point Reflections On Zen And Christian Mysticism is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Still Point Reflections On Zen And Christian Mysticism, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to The Still Point Reflections On Zen And Christian Mysticism
 - Chapter 2: Essential Elements of The Still Point Reflections On Zen And Christian Mysticism
 - Chapter 3: The Still Point Reflections On Zen And Christian Mysticism in Everyday Life
 - Chapter 4: The Still Point Reflections On Zen And Christian Mysticism in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of The Still Point Reflections On Zen And Christian Mysticism. The first chapter will explore what The Still Point Reflections On Zen And Christian Mysticism is, why The Still Point Reflections On Zen And Christian Mysticism is vital, and how to effectively learn about The Still Point Reflections On Zen And Christian Mysticism.
 3. In chapter 2, this book will delve into the foundational concepts of The Still Point Reflections On Zen And Christian Mysticism. The second chapter will elucidate the essential principles that must be understood to grasp The Still Point Reflections On Zen And Christian Mysticism in its entirety.
 4. In chapter 3, the author will examine the practical applications of The Still Point Reflections On Zen And Christian Mysticism in daily life. This chapter will showcase real-world examples of how The Still Point Reflections On Zen And Christian Mysticism can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of The Still Point Reflections On Zen And Christian Mysticism in specific contexts. This chapter will explore how The Still Point Reflections On Zen And Christian Mysticism is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about The Still Point Reflections On Zen And Christian Mysticism. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of The Still Point Reflections On Zen And Christian Mysticism.
