Pankaj Dixit has done an excellent job of making mythology accessible and engaging. An enjoyable and well-researched quiz book. The questions range from easy to challenging, making it suitable for both beginners and experts. Some explanations could be more detailed, but overall, it's a great way to explore Hindu mythology. A fascinating and thought-provoking read. The quiz format makes it fun and interactive, and I appreciated the breadth of topics covered. I would have loved even more background on some myths, but it's a valuable resource for all ages. A good book for testing your knowledge of Hindu mythology, though I was hoping for more in-depth explanations of some of the stories. Still, it's a great way to learn and challenge oneself. Brilliantly compiled and well-structured. This book not only challenges your knowledge but also educates you along the way. The section on Vedic rituals and temple architecture was especially enlightening. Highly recommended for mythology lovers.
