Secret Societies of the Middle Ages Thomas Keightley, 2005-04-03 Secret Societies of the Middle Ages explores the foundations of modern secret societies examining the history and known facts of three very different organizations 1 The Assassins of the Middle East how they evolved from an Islamic religious sect into one of the most feared groups in all the world and how the very name of this ancient order became the word used for political killings of this nature 2 The Templars of Europe from a pious group of protectors and dedicated crusaders to their bitter end persecuted as heretics they introduced the concept of banking to the world while amassing a fortune of incalculable wealth 3 The Secret Tribunals of Westphalia the feared and self appointed judicial group who passed judgment and performed executions in a time of lawlessness in Germany They enjoyed popular support providing a rudimentary and vigilante law at a time when warlords ruled and the emperor was ineffective The echoes of these particular societies are still heard today from presidential offices to battlegrounds in the Middle East Secret Societies of the Middle Ages originally published in 1846 was the first book to gather information on these secret orders This foundational reference work upon which many contemporary histories have relied is now back in print with an introduction by James Wasserman author of The Templars and the Assassins The Militia of Heaven

Seven Myths of the Crusades Alfred J. Andrea, Andrew Holt, 2015-08-21 Seven Myths of the Crusades rebuttal of the persistent and multifarious misconceptions associated with topics including the First Crusade anti Judaism and the Crusades the crusader states the Children s Crusade the Templars and past and present Islamic Christian relations proves once and for all that real history is far more fascinating than conspiracy theories pseudo history and myth mongering This book is a powerful witness to the dangers of the misappropriation and misinterpretation of the past and the false parallels so often drawn between the crusades and later historical events ranging from nineteenth century colonialism to the protest movements of the 1960s to the events of 9 11 This volume s authors have venerable track records in teaching and researching the crusading movement and anyone curious about the crusades would do well to start here Jessalynn Bird Dominican University co Editor of Crusade and Christendom

The Path of Freemasonry Mark Stavish, 2021-09-28 Shares the history and meaning of Freemasonry and its symbols Offers thoughtful explorations of

different areas of Masonic experience drawing on esoteric doctrines and paralleling them with experiences found in daily life Provides simple exercises and practices to help internalize and personalize the lessons presented including dreamwork journaling meditation and prayer In this practical guide Mark Stavish details the spiritual lessons and rituals of Freemasonry as a step by step path of spiritual development and self improvement for both Masons and non Masons men and women alike He explores the history and meaning of Freemasonry and its symbols from its origins in the Temple of Solomon to the Medieval craft guilds to the Renaissance and explains how the Craft promotes personal growth through the symbolic building of self and an inner Temple of Wisdom in much the same way that Masonry s rituals symbolize the building of Solomon s Temple in accordance with the mystical architectural instructions of Hiram Drawing on esoteric doctrines including the Qabala alchemy sacred geometry John Dee s angelic magic and the secrets of the Gothic cathedral builders each chapter addresses an area of the Masonic experience paralleling them with experiences each of us finds in our own lives The author provides simple practices to help internalize and personalize the lessons presented including dreamwork journaling meditation prayer and understanding sacred architecture The author also examines the crafting and use of the spiritual and symbolic tools of Freemasonry such as the trestle or tracing board and the Chamber of Reflection Providing the tools to make the Craft an initiatic experience of self improvement the author shows that ultimately the Masonic experience is the human quest for self realization and self expression so that we each may find our place in the Temple of Wisdom

Slaves Shall Serve James Wasserman,2004 A battle is raging for the soul of America and it is of critical interest to the
 survival of freedom world wide Our nation is surrendering its fundamental values of individual responsibility and self
 determination Domestically we exchange our privacy and autonomy for the chimera of security internationally we abdicate
 our ability to act in our national interest Why are we squandering the precious jewels of the greatest political experiment in
 human history What actions can thoughtful citizens take to protect and regain their personal freedoms This important
 collection of essays is supplemented by lengthy appendices containing the primary reference materials that underlie the
 author s bold assertions Readers will fearlessly explore the modern plague of collectivism especially as embodied by the
 United Nations learn the true political historical and spiritual roots of the September 11th attacks revisit the Waco massacre
 without averting their glance witness the cynical manipulations of the civilian disarmament movement and be invited to
 contemplate the role of transcendent values in the battle to preserve and maintain freedom Assassin's Creed: Templars
