literary imagination Karen Sanchez Eppler charts how bodily difference came to be recognized as a central problem for both political and literary expression Her readings of sentimental anti slavery fiction slave narratives and the lyric poetry of Walt Whitman and Emily Dickinson demonstrate how these texts participated in producing a new model of personhood one in which the racially distinct and physically constrained slave body converged alongside the sexually distinct and domestically circumscribed female body Moving from the public domain of abolitionist politics to the privacy of lyric poetry Sanchez Eppler argues that attention to the physical body blurs the boundaries between public and private Drawing analogies between black and female bodies feminist abolitionists use the public sphere of anti slavery politics to write about sexual desires and anxieties they cannot voice directly However Sanchez Eppler warns against exaggerating the positive links between literature and politics She finds that the relationships between feminism and abolitionism reveal patterns of exploitation appropriation and displacement of the black body that acknowledge the difficulties in embracing difference in the nineteenth century as in the twentieth Her insightful examination of these issues makes a distinctive mark within American literary and cultural studies This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1993 **Hobbies** ,1977 **Floppy Toys** Brenda Morton,1970 Instructions and diagrams for making sixteen floppy toys from remnant materials Includes a photograph of each finished toy **Brotherhood of Maintenance of Way Employes Journal** ,1963 Doll Sourcebook Argie Manolis,1996 A Complete directory of supplies and services for making selling and collecting dolls **Old-fashioned Christmas Crafts** Better Homes and Gardens,1995 Provides illustrated instructions for creating over 70 classic holiday gifts and decorations Southern States Cooperative Farmer ,1994 **Country Crafts** Time-Life Books,1989 Step by step directions provide information on materials equipment and procedures for 28 craft projects Race, Work, and Desire in American Literature, 1860-1930 Michele Birnbaum,Michele Elam,2003-11-20 Table of contents **Soft Toys and Dolls** Susan Warton,Sunste Books,Sunset Magazine,1977 Relics ,1973 Early American Life ,1988 **Cuddly Toys and Dolls** Jean Greenhowe,1983
