Melissa Spoelstra, 2014-08-05 Learn to surrender to God's will and rest your hope in Him alone When we look around at today's world hope usually isn't the first word that comes to mind In many ways we live in an unstable world where marriages fail bank accounts run low friendships end and the everyday demands of a fast paced life get us down In the Book of Jeremiah we find God calling out to His people with a message of hope a message that intentional living is possible even in an unstable world But how do we do this Where do we start Jeremiah offers women hope for living in an uncertain world by learning to navigate the challenges and circumstances of their lives This six week study examines God's words of instruction to His wayward people through the prophet Jeremiah and provides women six guidelines for intentional living to overcome fear worry and doubt as they surrender their wills to God's and put their hope in Him alone Combining rich study of the Book of Jeremiah with practical life application that resonates with the realities and experiences of today's women this study inspires all women to dare to hope remembering that God is rich in mercy and love and has good plans for us The Leader Guide contains six session plan outlines complete with discussion points and questions activities prayers and more plus leader helps for facilitating a group Other components for the Bible study available separately include a Participant Workbook DVD with six 20-25 minute sessions and boxed Leader Kit an all inclusive box containing one copy of each of the Bible study's components **The Names of God - Women's Bible Study Leader Guide** Melissa Spoelstra, 2020-08-04

Know God better through a study of His names Today's culture and others views even those of other Christians can present a distorted view of God Some suggest God exudes qualities He does not possess such as being unloving or apathetic toward His creation In a world where we find people creating God in their own image studying God's names can remind us that we are created in His In fact one of the best ways to know God's true character and grow closer to Him is to study His names In The Names of God Melissa Spoelstra leads women on an exploration of the many names of our triune God from El and Elohim to Yahweh and its many combinations to names such as Abba Jesus and Holy Spirit and many others As women study the names of God their ideas about God will become more grounded in what His names tell them and thus more personal allowing a greater trust in Him to share the details of their lives Whether having walked with God for many years or just starting out in a relationship with Him by the end of this study women will not only know more about God but will know Him better because through the discovery of God's names they will discover Him The Leader Guide contains session plan outlines complete with discussion points and questions activities prayers and more plus leader helps for facilitating a group Components for this six week Bible study each available separately include a Participant Workbook a Leader Guide DVD with six 25 minute segments with closed captioning and a boxed Leader Kit containing one of each component A six week study of the names of God
