The Victory Of Sinn Fein Centenary Classics:

The Victory of Sinn Féin Patrick Sarsfield O'Hegarty, Patrick Sarsfield, 2015 A valuable first hand account of the tumultuous events in Ireland from 1916 to 1923 written from a now almost forgotten viewpoint that of the Irish Republican Brotherhood O'Hegarty's heroes were Arthur Griffith the founder of Sinn Féin and Michael **De Valera Volume 1** David McCullagh, 2017-10-20 among de Valera was the single most consequential Irish figure of the twentieth century He was a leader in the Easter Rising the figurehead of the anti Treaty rebels during the dark days of the Civil War and later as the founder of Fianna Fáil and president of Ireland the pivotal figure in the birth of the Republic In this the first volume of a magisterial new biography acclaimed historian and broadcaster David McCullagh charts De Valera's vertiginous rise from humble beginnings to electoral victory with Fianna Fáil in 1932 Riveting nuanced provocative and humorous it draws on a wealth of new and neglected sources to present a truly ground breaking portrait of de Valera the man his times and his complex ever shifting legacy David McCullagh combines the investigative skills of an experienced journalist with the detachment of an accomplished historian In this vividly readable and at times gripping biography he tackles head on all of the perennial de Valera controversies including his parentage his role in the 1916 Rising his relationship with Michael Collins his responsibility for the Civil War and his subsequent rise to power and does so with acuity and objectivity McCullagh's range and command of the source material is masterly a comprehensive mature biography both enlightening and entertaining MAURICE MANNING **Centenary History of the Literary and Historical Society of University College, Dublin, 1855-1955** University College, Dublin. Administration, 1999 The Oxford Handbook of W.B. Yeats Lauren Arrington, Matthew Campbell, 2023-05-30 The forty two chapters in this book consider Yeats's early toil his practical and esoteric concerns as his career developed his friends and enemies and how he was and is understood This Handbook brings together critics and writers who have considered what Yeats wrote and how he wrote moving between texts and their contexts in ways that will lead the reader through Yeats's multiple selves as poet playwright public figure and mystic It assembles a variety of views and adds to a sense of dialogue the antinomian or deliberately divided way of thinking that Yeats relished and encouraged This volume puts that sense of a living dialogue in tune both with the history of criticism on Yeats and also with contemporary critical and ethical debates not shirking the complexities of Yeats's more uncomfortable political positions or personal life It provides one basis from which future Yeats scholarship can continue to participate in the fascination of all the contributors here in the satisfying difficulty of this great writer The Spectator, 1920 A weekly review of politics literature theology and art

History of the Sinn Fein Movement and the Irish Rebellion of 1916 (Classic Reprint) Francis P. Jones, 2015-07-07 Excerpt from History of the Sinn Fein Movement and the Irish Rebellion of 1916 Not within the confines of human knowledge has it been known that any one nation has wielded such power or exercised such arbitrary control over international communications as England does to day The ships on the water that carry the mails the ocean cables beneath the water and the wireless telegraphy above the water are each and all completely in her hands Every avenue of intelligence is guarded by her police and picketed by her agents Service to her interests is the rule applied to the suppression or the dissemination of news In the titanic struggle for existence in which she is engaged this from her point of view may be justifiable but from the point of view of history founded upon truth it is a malforming of facts and a poisoning of the wells of knowledge In none of the fields of her worldwide activities is her censorship so complete or so drastic as it is in matters relating to Ireland or Ireland's interests at home or abroad Not that there is anything new in her misrepresentation of Ireland and the Irish That she has done for centuries in the forum on the stage and through the influences of her literature and drama But never has there been such wholesale suppression of realities and falsification of truth as since the great war Commencement was made by the false acclaim of Ireland's loyalty and the climax was reached by the perversion of the rebellion of Easter week into an inconsequential street riot About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
