Gillian Lewis

The West Coast Connection 1 Windflax Beach Volume 1:

The West Coast Connection Gillian Lewis, 2015-07-16 It does not bode well for a good father daughter relationship when your good companion of the previous evening turns out to be your father at breakfast Yes there was sex involved and Jen could have been disastrously affected by the episode But except for the latter years Jen had had a tough life growing up and was unlikely to be fazed by a night of incestuous sex After all it was seventeen years since she last saw her father at three years old Prior recognition was hardly likely for either of them It was to the credit of both Jen and Taser that they put that night behind them After Jen had stayed away from Windflax Beach for three weeks exploring Golden Bay and Nelson she came to terms with that bad start and phoned her father to tell him she was coming home The story tells of Jen s deserved landing of a good job on the West Coast and how she won the affections of her employers and won the love of their son Alan
