, History of the Prophet Joseph by His Mother Lucy Smith, 2020-09-28 This history of the Prophet Joseph Smith originally entitled The History of Mother Smith by Herself was written at the dictation of Lucy Smith mother of the Prophet by Mrs Martha Jane Knowlton Coray who acted as her amanuensis It was taken from the words of Mother Smith and dictated from memory mostly but she also made use of such historical memoranda of the events related as were within her reach Of the original manuscript one copy was taken which was left with Lucy Smith while the original was retained by the writer This original Mrs Coray held in her possession until her arrival in Utah when she subsequently deposited a copy of it with

President Brigham Young Lucy Smith died near Nauvoo May 5 1855 but years prior to this date some of her effects were left in the hands of her son William Smith among them being the manuscript copy of this history From William who was the last surviving brother of the Prophet and whose death occurred at Osterdock Clayton county Iowa November 13 1893 the document fell surreptitiously it is declared by George A Smith into the hands of Isaac Sheen who was at one time a member of the Church in Michigan When in September 1852 Apostle Orson Pratt went on a mission to England he called on Mr Sheen on his way East and being shown the manuscript copy he purchased it for a certain sum of money took it to Liverpool with him where without revision and without the consent or knowledge of President Young or any of the Twelve it was published under his direction in 1853 It was afterwards discovered that the book contained errors occasioned by its not being carefully compared with historical data Some of the statements in the preface written by Elder Pratt were also in error one especially that the book was mostly written in the lifetime of the Prophet and that he had read it with approval was incorrect since it was written in 1865 the year following his martyrdom For these reasons and others mostly of a financial character it was disapproved by President Young on August 23 1865 and the edition was suppressed or destroyed While some statements contained in the work were considered somewhat overdrawn a circumstance easily accounted for when we remember the age of Mother Smith the losses she had sustained in the death of a husband and four sons and the consequent lapses of her memory its many merits were fully recognized by the authorities many of whom were greatly disappointed at the necessity of issuing the order to temporarily suppress its further circulation
