Truth in Comedy: The Manual for Improvisation

Charna Halpern, Del Close, Kim Johnson, 1994-06

Want to learn the improv techniques that helped Mike Myers, Chris Farley, John Belushi and many others along the road to TV and film stardom?

Then let two esteemed founders of long form improvisational theatre, Del Close and Charna Halpern, teach you the Harold.

This groundbreaking acting exercise emphasizes pattern recognition and subversion of the audience's expectations, which are important factors for making people laugh without ever telling a joke.

It involves six to seven players and many kinds of scenes: games, monologues, songs, skits, and more, all of which are bound to keep both actors and audience members guessing.

The Harold is non-linear entertainment that remembers everything and wastes nothing, the key to successful improvising and has become a standard in comedy clubs and improv theatres around the globe.

Creating Comedy Narratives for Stage and Screen Chris Head, 2020

This accessible and engaging text covering sketch, sitcom and comedy drama alongside improvisation and stand-up brings together a panoply of tools and techniques for creating short and long form comedy narratives for live performance, TV and online.

Referencing a broad range of comedy from both sides of the Atlantic, spanning several decades and including material on contemporary internet sketches, it offers all kinds of useful advice on creating comic narratives for stage and screen, using life experience as raw material, constructing comedy worlds, creating comic characters, their relationships and interactions, structuring sketches, scenes and routines, and developing and plotting stories.

The book's interviewees from the UK and the USA feature stand-ups, sketch comics, improvisers and TV comedy producers and include Steve Kaplan, Hollywood comedy guru and author of *The Hidden Tools of Comedy*, Will Hines, teacher and improviser from the Upright Citizens Brigade Theatre, and Lucy Lumsden, TV producer and former Controller of Comedy Commissioning for BBC.

Written by the ideal person to nurture new talent, *The Guardian* *Creating Comedy Narratives for Stage Screen* includes material you won't find anywhere else and is a stimulating resource for comedy students and their teachers, with a range and a depth that will be appreciated by even the most eclectic and multi-hyphenated writers and performers.
