Andrei Nae

The Wild Hunt Legacy 2 Series:

Playing the Middle Ages Robert Houghton, 2023-08-24 The Middle Ages have provided rich source material for physical and digital games from Dungeons and Dragons to Assassin's Creed This volume addresses the many ways in which different formats and genre of games represent the period It considers the restrictions placed on these representations by the mechanical and gameplay requirements of the medium and by audience expectations of these products and the period highlighting innovative attempts to overcome these limitations through game design and play Playing the Middle Ages considers a number of important and timely issues within the field including one the connection between medieval games and political nationalistic rhetoric two trends in the presentation of religion warfare and other aspects of medieval society and their connection to modern culture three the problematic representations of race and four the place of gender and sexuality within these games and the broader gaming community The book draws on the experience of a wide ranging and international group of academics across disciplines and from games designers Through this combination of expertise it provides a unique perspective on the representation of the Middle Ages in modern games and drives key discussions in the fields of history and game design

Video Games between Postcolonialism and Postcommunism Andrei Nae, 2025-10-20 This volume sets out to investigate video games complex entanglement with colonial legacies By means of its methodological diversity it offers a rich perspective on the ideological working of coloniality in video games at the intersection with multiple other power structures and economic systems Besides Global North South and West East tensions it also focuses on postcommunist contexts and their bearings on video games

The Elusive Shift Jon Peterson, 2020-12-22 How the early Dungeons & D examines the dialogue at the core of the game explains how game design began to accommodate role playing and considers the purpose of the referee or gamesmaster By 1977 game scholars and critics began to theorize more systematically and Peterson explores their discussions of the transformative nature of role playing games their responsibility to a mass audience and other topics Peterson finds that the foundational concepts defined in the 1970s helped theorize role playing laying the foundation for the genre's shift into maturity in the 1980s
