Thru Hiking Will Break Your Heart An Adventure On The Pacific Crest Trail:

Thru-hiking Will Break Your Heart Carrot Quinn, 2015-04-22 Carrot Quinn fears that she's become addicted to the internet. The city makes her feel numb and she's having trouble connecting with others. In a desperate move, she breaks away from everything to walk 2,660 miles from Mexico to Canada on the Pacific Crest Trail. It will be her first long distance hike. In the desert of Southern California, Carrot faces many challenges, both physical and emotional: pain, injury, blisters, aching, cold, and searing heat, dehydration, exhaustion, loneliness. In the wilderness, she happens upon and becomes close with an eclectic group of strangers, people she wouldn't have chanced to meet in the regular world, but who are brought together here on the trail by their one common goal: make it to Canada before the snow flies. *The American Adrenaline Narrative* Kristin J. Includes a map of the PCT to follow along with the stories. What's it like to be a trail angel and can romance truly blossom from first meeting to marriage on the Pacific Crest Trail? How do trail names get bestowed and what does it mean when you find yourself roaring back at a mountain lion? How have climate change, technology, and the sheer number of hikers affected life on the PCT? Find the answers to all these questions and so many more in the diverse writings gathered in *Crossing Paths*, an anthology of stories and poems written by PCT hikers. Reflecting the contributors' rich and varied individual experiences, this collection includes both ordinary and extraordinary experiences: from dodging lightning strikes on an exposed ridge south of Sonora Pass or surviving early fall snowstorms in the Cascades to deeply personal walks as therapy following military service or cancer treatment. The selection represents geographic, gender, ethnic, and age diversity and strives to reflect the totality and depth of life on the trail. **The Last Englishman** Keith Fosskett, 2018-11 A 2,640-mile hiking adventure on the Pacific Crest Trail.
