Poetry's Heart to Heal the Soul Lisa K. Maier,2007-10-18 Poetry's heart to heal the soul is based on some very touching inspirational things I have gone through in my life With god as a guide and a light I've been through many things and everything I've gone through I put it into love I call poetry it's about good times and bad but always a

meaning to explain life at that particular moment in time It is a passion I have for life and the miracle it stands to be that I put into words I see life kind of like music and a dream and the power to create our own fate A lot of it is gratitude for where I stand and my love to serve in this world my wishes to help Some of this literature is on religion some on limitless love emotions I call a dimension on so many levels and outlooks I guess that s why it s poetry When I write it s like my mind is filled with words and an understanding that I put to words in hope to interest or love in someway I hope it is like a piece to a puzzle in some way or justice or helps someone to see life differently in a good way *Poetry of Seduction for Queens and Ruffians* Frisco Kid,2017-04-20 The dance of life is spiritual animation at best The author at role playing has been quite active from husband to father from poet to tax agent from insurance broker to herbalist from wagon jobber to playwright from caterer and many studies in between Love made it happen In this author s poetry important people who are celebrated gave him the inspiration and substance for taking the proverbial windmill route of artist The art from the author s perspective is God s special gift to humankind to ascend from the mud the cave the stuck to the floor position and eloquently and meaningfully rise so that in time man may come to realize the transparent nature of substance spirit and universal love On that day male and female lives will find redirection and no longer have to live in vain
