Dear Lama Zopa Thubten Zopa,2013-09-23 Unconventional wisdom affirmation and advice from one of Tibetan Buddhism s most influential living teachers Lama Zopa Rinpoche is a master at explaining Buddhism s radical but effective methods for transforming suffering into happiness which have been practiced and taught by Tibetans for a thousand years It s a challenging way to think how can it be that the things that cause us pain are actually blessings In Dear Lama Zopa Rinpoche applies that challenge to our everyday real life problems from the littlest to the biggest Every year he receives thousands of letters from people around the world asking for advice on coping with everything from addiction grief and depression to war terrorism and death In his detailed and deeply caring responses to these letters reproduced here Rinpoche shows again and again that the best method for solving our problems is to radically change the way we perceive them that by emphasizing their inner causes we can even change the resulting outer circumstances Even people familiar with notions like karma and reincarnation which imply that we are the creators of our own experiences may find the advice difficult Yet uncountable thousands of people of all backgrounds have put Rinpoche s loving guidance into practice and have seen real and positive change in their lives Now with Dear Lama Zopa you can see for yourself

Touched by Suicide Christi Taylor-Jones,2024-11-04 *Touched by Suicide* by Christi Taylor Jones delves into the very personal yet archetypal reasons why people choose to end their life or think about doing so Although depression and mental illness are often cited as motivating factors Taylor Jones contends that anger shame and self hatred are greater contributors Anxiety and impulsivity are also implicated Underlying the suicidal urge however is a deep and often unconscious longing to end suffering through transformation and rebirth Lacking the ability to undergo that process symbolically leaves no choice but to enact it literally Taylor Jones emphasizes the importance of the symbolic element and points out that suffering is part of life and to live life fully requires making meaning out of the pain we do suffer She explores the views of suicide throughout time from the Greeks to Christianity and later psychology She describes the role depression mental illness shame and trauma

play in suicidal thinking as well as heroic and selfless motivations behind some suicides The book also distinguishes between conscious and unconscious suicide Her book based on her own personal and professional experiences as well as the basic tenets of C G Jung regarding the Self the individuation process and the soul offers insight and hope to those who consider or who have attempted suicide as well as those who seek an in depth approach to the subject Taylor Jones claims that we need to transform the shame and judgment that often accompanies suicidal feelings and replace them with empathic understanding of suicide s ultimate goal
