Transforming The Mainline Church Lessons In Change From Pittsburghs Cathedral Of Hope:

Transforming the Mainline Church Robert A. Chesnut, 2000-01-01 In Transforming the Mainline Church Robert Chesnut provides valuable lessons for inner city churches He urges congregations to be more open to diversity to emphasize the arts and music to support entrepreneurial leadership and to move beyond denominational concerns to an approach that responds to the religious hungers of a new generation [An Introduction to Ministry](#) Ian S. Markham, Oran E. Warder, 2015-10-28 An Introduction to Ministry is a comprehensive and ecumenical introduction to the craft of ministry for ministers pastors and priests that make up the mainline denominations in the United States Ecumenically focused It offers a grounded account of ministry covering areas such as vocation congregational leadership and cultivation of skills for an effective ministry Covers the key components of the M Div curriculum offering a map and guide to the central skills and issues in training Explores the areas of vocation skills for ministry and issues around congregational leadership Each topic ends with an annotated bibliography providing an indispensable gateway to further study Helps students understand both the distinctive approach of their denomination and the relationship of that approach to other mainline denominations Advocates and defends a generous understanding of the Christian tradition in its openness and commitment to broad conversation

Meeting Jesus the Christ Again Robert Chesnut, 2017-06-20 The religion of Jesus or the religion about Jesus The cross as Christ's atoning sacrifice or as a courageous prophetic martyrdom With a pastoral prophetic voice and insights derived from a lifetime in parish ministry and theological education Meeting Jesus the Christ Again encourages the reader to rethink these and other hotly disputed issues of Christian faith Taking a big picture perspective and seeking common ground Chesnut points us toward a neo classical faith This engaging book calls us back to the vital center of historic Christian faith

A Church Wide Enough for Everyone Steven H. Propp, 2018-02-03 Robert Schaeffer and Douglas West are best friends living in Oklahoma in 1963 when they discover that they both sense a calling to become ministers in a mainline Christian denomination But from seminary and their early years in ministry to their golden years looking back on what it takes to lead a congregation a stimulating sometimes puzzling yet often inspirational world of theological controversies and congregational concerns would unfold for these two men of God A Church Wide Enough for Everyone follows these two men on their journey to demonstrate the continuing relevance of the Christian faith in a postmodern world After moving to Berkeley California to attend college and seminary they have little time to ponder the vast social changes taking place before they immediately enter into intensive critical study of the Bible and Christian theology And as Robert is then thrust into the ordained ministry with his wife Faye both men must in their own ways face the political cultural and ideological pressures of each passing decade responding to challenges from both within the church and from outsiders Are mainline churches and Christian theology dead Or might they be revitalized in the current century A Church Wide Enough for Everyone and the inspired journeys of two ministers offers a window into how this revitalization and new understanding is possible **Pastor**

William H. Willimon, 2010-09-01 Ordained ministry says Willimon is a gift of God to the church but that doesn't mean that it is easy. Always a difficult vocation changes in society and the church in recent years have made the ordained life all the more complex and challenging. Is the pastor primarily a preacher, a professional caregiver, an administrator? Given the call of all Christians to be ministers to the world, what is the distinctive ministry of the ordained? When does one's ministry take on the character of prophet and when does it become that of priest? What are the special ethical obligations and disciplines of the ordained? In this book Willimon explores these and other central questions about the vocation of ordained ministry. He begins with a discussion of who pastors are asking about the theological underpinnings of ordained ministry and then moves on to what pastors do, looking at the distinctive roles the pastor must fulfill. The book also draws on great teachers of the Christian tradition to demonstrate that while much about Christian ministry has changed, its core concerns—preaching the word, the care of souls, the sacramental life of congregations—remains the same. Ordained ministry is a vocation to which we are called, not a profession that we choose. To answer that call is to open oneself to heartache and sometimes hardship, yet given the one who calls, it is to make oneself available to deep and profound joy as well. **Religious and Theological Abstracts**, 2001

, 1994 **Liberating Hope!**: Michael Piazza, Cameron Trimble, 2011-06-14 Accurate and strategic evidence that the decline of the mainline progressive church can be slowed and even reversed despite the challenges it is facing *Reclaiming the Great Commission* Bishop Claude Payne, Hamilton Beazley, 2000-06-28 Reclaiming the Great Commission describes a biblically based model that can restore the missionary power of first century Christianity to twenty first century denominations and their congregations. Based on shared vision and mission, the model can guide the members of any congregation or denomination into deeper and broader evangelism, an enhanced experience of community, and a renewed hope of personal and spiritual transformation. *Transforming Congregations for the Future* Loren B. Mead, 1994-08-01 In this third volume of the Once and Future Church Series, Loren Mead focuses on what he sees as the age-old call of the church: living and breathing the good news promise of spiritual transformation for all to see. He explores how we, as the church, may need to change as institutions and as individuals within institutions. Anyone who has read *The Once and Future Church* will want to explore the next step as Mead challenges us to examine the transformations inherent in God's call to renew His church. *Changing the Way We Do Church* John W. Stanko, 2009-06-01 7 Steps to a Purposeful Reformation. There is a worldwide crisis in church leadership. Is your ministry part of the problem or part of the solution? Are you ready to embrace God-inspired reform, or will it be business as usual? The vision, purpose, and leadership of pastoral teams will determine the health of the local church. These seven steps will challenge you to rethink what the church is and how it should function so that together congregations can touch the world with the love of God. The 7 steps include: Raising up purpose-led men and

women of great faith Equipping people to implement their God given purpose Helping leaders bring order out of creative chaos Helping leaders move from ownership to servant leadership Developing services and programs that people really want to attend Moving from fads and copycat expressions to innovative ministries Meeting the needs of the poor minorities and women worldwide Complete with study questions at the end of each chapter Changing the Way We Do Church will stir your faith and provide biblical understanding to embrace 21st century ministry with enthusiasm and purpose JOHN W STANKO has served the church in many capacities during 35 years of ministry He is the founder of PurposeQuest International which helps leaders and individuals around the world clarify their purpose and order their world He is a sought after speaker and consultant and his website and blogs help people understand who they are and how to be more productive John serves as Administrative Pastor at Allegheny Center Alliance Church an historic and growing church on the North Side of Pittsburgh

The Art of Transformation Paul Fromberg, 2017-05 Everyday actions work to transform life personally and in community It s all too common for Christians to wonder if Jesus came to bring transformation and wholeness why do I still feel like the same old me and struggle with the same issues as always Paul Fromberg rector of St Gregory of Nyssa Episcopal Church in San Francisco offers a practical approach to life transformation that proves that church if done right can be the catalyst for bringing about real change in people s lives For those frustrated that they haven t had real experiences of transformation in their churches and for church leaders who are frustrated that members aren t being transformed by their experiences in church Fromberg presents a way to move beyond cynicism sadness and alienation and reconnect with the deep passionate beautiful life that God has in mind for us The first step is to question assumptions but it takes relationships to make this change and courage to risk what you know for the sake of being made new The intersection between beauty justice and friendship is the place where people can dare to be transformed The best gift the church can give is to make transformation a real part of people s lives Reframing Hope Carol Howard Merritt, 2010-08-23 Much has been written about the changing landscape the church finds itself in and even more about the church s waning influence in our culture From her vantage point as an under 40 pastor Carol Howard Merritt author of Tribal Church moves away from the handwringing toward a discovery of what ministry in with and by a new generation might look like What does the substance of hope look like right now What does hope look like when it is framed in a new generation Motivated by these questions Merritt writes Reframing Hope with the understanding that we are not creating from nothing the vital ministry of the next generation Instead we are working through what we have sorting out the best parts acknowledging and healing from the worst and reframing it all
