Have you ever been outside in the hot weather wilting under the heat and took a drink of cold water that brought relief and refreshment Transformed produces a similar response Transformed helps you walk through a process of healing by identifying areas in your past experiences or daily life that need God s touch You will be inspired by **Western Education and Political Domination in Africa** Magnus O. Bassey, 1999-10-30 The contribution of Western education to the creation of an African educated elite is well documented What is not equally well documented is the fact that African educated elites have used their education and the schools to perpetuate their dominance by denying the poor the knowledge necessary to protect their political and economic rights and to advance in society On the other hand educated elites in Africa make opportunities available to their own members through selective ordering legitimization of certain language forms and learning processes in schools and legitimization of elite codes and experiences to the exclusion of the histories experiences and worldviews of the poor This book highlights the processes by which the poor in Africa have been disenfranchised and marginalized through schools ascriptive mechanisms and explains why African economic development is very slow

Textual Transformations in Children's Literature Benjamin Lefebvre, 2013-01-04 This book offers new critical approaches for the study of adaptations abridgments translations parodies and mash ups that occur internationally in contemporary children s culture It follows recent shifts in adaptation studies that call for a move beyond fidelity criticism a paradigm that measures the success of an adaptation by the level of fidelity to the original text toward a methodology that considers the adaptation to be always already in conversation with the adapted text This book visits children s literature and culture in order to consider the generic pedagogical and ideological underpinnings that drive both the process and the product

Focusing on novels as well as folktales films graphic novels and anime the authors consider the challenges inherent in transforming the work of authors such as William Shakespeare Charles Perrault L M Montgomery Laura Ingalls Wilder and A A Milne into new forms that are palatable for later audiences particularly when for perceived ideological or political reasons the textual transformation is not only unavoidable but entirely necessary Contributors consider the challenges inherent in transforming stories and characters from one type of text to another across genres languages and time offering a range of new models that will inform future scholarship

The EU's Transformative Power H. Grabbe, 2005-11-10 Between 1989 and 2004 the EU's conditionality for membership transformed Central and East Europe The EU had enormous potential power over the whole range of domestic politics in the candidate countries However the EU was able to use that power at a few key points in the process leading to their accession The EU's long term influence worked primarily through soft power and through voluntary rather than coercive means During the membership preparations the EU built many different routes of influence into the candidate countries domestic policy making through Europeanization The Central and East Europeans voluntarily took on the Union's norms and methods guided by the European Commission in a massive transfer of policies and institutions However the EU missed important opportunities to effect change as well The EU's Transformative Power explores in detail how the EU used its influence to control the movement of people across Europe through both coercive use of conditionality and voluntary methods of Europeanization
