From the creators of *When Kids Ask Hard Questions* comes MORE questions and thank goodness responses on today's tough topics. In an increasingly complex world, children deserve thoughtful responses informed by our progressive faith values. In this second volume, for parents, teachers, and faith leaders, respected experts, pastors, and parents address more than two dozen tough topics offering theological perspectives and suggestions for comforting and spiritually guiding children. Topics include racism and white supremacy, vaping and illegal drugs, domestic abuse and family stigma, pornography and sexuality, mental illness, and teen suicide, social media and isolation, and terminal illness and grief. *Children, Sexuality, and the Law* Sacha M. Coupet, Ellen Marrus, 2015-05-22. American political and legal culture is uncomfortable with children's sexuality. While aware that sexual expression is a necessary part of human development, law rarely contemplates the complex ways in which it interacts with children and sexuality. Just as the law circumscribes children to a narrow range of roles, either as entirely sexless beings or victims or objects of harmful adult sexual conduct, so too does society tend to discount the notion of children as agents in the domain of sex and sexuality. Where a small body of rights related to sex has been carved out, the central question has been the degree to which children resemble adults, not necessarily whether minors themselves possess distinct and recognized rights related to sex, sexual expression, and sexuality. *Children, Sexuality, and the Law* reflects on some of the unique challenges that accompany children in the broader context of sex, exploring from diverse perspectives the ways in which children emerge in sexually related dimensions of law and contemporary life. It explores a broad range of issues from the psychology of children as sexual beings to the legal treatment of adolescent consent. This work also explores whether and when children have a right to expression as understood within the First Amendment. The first volume of its kind, *Children, Sexuality, and the Law* goes beyond the traditional discourse of children as victims of adult sexual deviance by highlighting children as agents and rights holders in the realm of sex, sexuality, and sexual orientation. **Emerging as Affirmative Pastoral Caregivers Beyond Gender Binaries** Craig A. Rubano, 2023-11-13. *Emerging as Affirmative Pastoral Caregivers Beyond Gender Binaries* Gender Creative Promise uniquely brings a gender-diverse theological imagination to the field of pastoral theology, supplemented by deploying a gender-creative interpretative lens on scripture. The reader is introduced to an array of persons diverse in their gender variance, four continua of gender, sex, identity, expression, attraction, a gender-affirmative psychotherapeutic model as a template for the field of pastoral theology, common resilience strategies that transgender persons employ in the face of cultural oppression, and aspersions/benefits derived from religious affiliation that can enhance resilience and scripturally based principles for delivering affirmative pastoral caregiving beyond gender binaries. The author encourages readers to look within and wrestle with the complexities of their own gendered selves while journeying alongside him to emerge as pastoral change makers in their places of teaching, ministry, and caregiving. *Jazz* Elizabeth Copeland, 2014. When he is forced to leave his suburban home at age seventeen, Jazz, a transgender F2M, moves into the heart of Toronto's LGBTQ community in hopes of finding the help he needs to begin his transition. He finds support in

Martine a dope smoking drag queen Kimmie a hairdresser with a heart of gold Sister Mary Francis a sharp talking ex nun and his counselor Kendall who must face his own demons in order to support Jazz in his journey *New Books on Women and Feminism* ,2014 New Books on Women, Gender and Feminism ,2014 **Guide to Reprints** K G Saur Publishing,K.
