Legal Translation Outsourced Juliette R. Scott, 2019 As a result of globalization cross border transactions and litigation and multilingual legislation outsourcing legal translation has become common practice Unfortunately over reliance on such outsourcing has given rise to significant dangers including information asymmetry goal divergence and risk Legal Translation Outsourced provides the only current reference on commercial legal translation performed outside institutions Juliette Scott casts a critical eye on the practice as it now stands offering an analysis of key risks and constraints Her work is informed by empirical data of the legal translation outsourcing markets of 41 countries Scott proposes original theoretical models aimed both at training legal translators and informing all stakeholders including principals and agents These include models of legal translation performance a classification of constraints on legal translation applying upstream during and downstream of translation work and a description of the complex chain of supply Working to improve the enterprise itself Scott shows how implementing a comprehensive legal translation brief a sorely needed template can significantly benefit clients by increasing the fitness of translated texts Further she opens a number of avenues for future research with an eye to translator empowerment and professionalization

Research Methods in Legal Translation and Interpreting Lucja Biel, Jan Engberg, Rosario Martín Ruano, Vilelmini Sosoni, 2019-05-09 The field of Legal translation and interpreting has strongly expanded over recent years As it has developed into an independent branch of Translation Studies this book advocates for a substantiated discussion of methods and methodology as well as knowledge about the variety of approaches actually applied in the field It is argued that complex and multifaceted as it is legal translation calls for research that might cross boundaries across research approaches and disciplines in order to shed light on the many facets of this social practice The volume addresses the challenge of methodological consolidation triangulation

and refinement The work presents examples of the variety of theoretical approaches which have been developed in the discipline and of the methodological sophistication which is currently being called for In this regard by combining different perspectives they expand our understanding of the roles played by legal translators and interpreters who emerge as linguistic and intercultural mediators dealing with a rich variety of legal texts as knowledge communicators and as builders of specialised knowledge as social agents performing a socially situated activity as decision makers and agents subject to and redefining power relations and as political actors shaping legal cultures and negotiating cultural identities as well as their own professional identity Chapter 2 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Forensic Translation Ali Darwish, 2012 This book presents a framework for translation mediated forensic analysis to deal with problems that require special techniques procedures and methodologies not normally found in a recently developing branch of linguistics called Forensic Linguistics
