Transnational Organized Crime An Overview From Six Continents:

Transnational Organized Crime Jay S. Albanese, Philip L. Reichel, 2013 This work explores the topic of transnational organised crime incorporating expert perspectives found throughout the world's six inhabited continents North America Central and South America Europe Africa Asia and Oceania Editors Jay S Albanese and Philip L Reichel gather the knowledge and expertise of numerous authors researchers and practitioners in this field who are either native to each world region have extensively travelled and worked there or are recognised scholars for those regions Engaged Criminology Rena C. Zito, 2022-11-15 Engaged Criminology An Introduction invites students to learn and think like a criminologist through its applied learning approach Author Rena C Zito adopts a conversational tone prompting students to interrogate inequalities consider unintended consequences and envision solutions all while highlighting the role of systemic inequalities as predictors and outcomes of criminal conduct and punishment Real world examples and hands on activities get students doing criminology rather than just retaining definitions as well as fostering critical interaction with the most central ideas in contemporary criminology This title is accompanied by a complete teaching and learning package in SAGE Vantage an intuitive learning platform that integrates quality SAGE textbook content with assignable multimedia activities and auto graded assessments to drive student engagement and ensure accountability Unparalleled in its ease of use and built for dynamic teaching and learning Vantage offers customizable LMS integration and best in class support **Organised Crime and Law Enforcement** David Bright, Chad Whelan, 2020-12-30 Organised Crime and Law Enforcement A Network Perspective examines organised crime and law enforcement through the conceptual lens of networks The book takes stock of the many ways in which network theories and concepts including social network analysis can apply to studying both organised crime and law enforcement responses to organised crime It is the first attempt to bring these diverse network perspectives and distinct fields of research together The book is organised into two parts The first part uses network perspectives to advance our understanding of the interconnected social structure of organised criminal groups to expose their strengths and vulnerabilities and to illuminate factors that enable such groups to undertake complex criminal activities The second part uses a network lens to examine the challenges that organised criminal groups present for a wide range of law enforcement agencies and the utility of network theories and concepts in understanding and informing their responses to organised crime Written in a clear and direct style the book will appeal to scholars and practitioners of criminology sociology law enforcement and all those interested in learning more about theories of organised crime and its relationship with law enforcement **Organized Crime** Klaus von Lampe, 2015-07-16 2016 Outstanding Publication Award The International Association for the Study of Organized Crime Organized Crime Analyzing Illegal Activities Criminal Structures and Extra legal Governance provides a systematic overview of the processes and structures commonly labeled organized crime drawing on the pertinent empirical and theoretical literature primarily from North America Europe and Australia The main emphasis

is placed on a comprehensive classificatory scheme that highlights underlying patterns and dynamics rather than particular historical manifestations of organized crime Esteemed author Klaus von Lampe strategically breaks the book down into three key dimensions 1 illegal activities 2 patterns of interpersonal relations that are directly or indirectly supporting these illegal activities and 3 overarching illegal power structures that regulate and control these illegal activities and also extend their influence into the legal spheres of society Within this framework numerous case studies and topical issues from a variety of countries illustrate meaningful application of the conceptual and theoretical discussion

Research Handbook on Environmental Crimes and Criminal Enforcement Susan L. Smith, Iina Sahramäki, 2024-07-05 This Research Handbook thoroughly examines the difficult and rapidly expanding problem of national transnational and international environmental crimes including air and water pollution unlawful mining and timber harvesting and transnational trafficking of endangered species It provides an understanding of cutting edge empirical and theoretical research on these crimes and their legal prosecution

Transnational Organized Crime, 2012

Organized Crime and National Security in Spain Andrés de Castro, 2025-06-27 This book offers an analysis of how organized crime operates in Spain and the security apparatus designed to contain it Organized crime is currently one of the most serious security threats facing democratic societies Despite its intense presence and the responses that states have articulated in recent decades little attention has been paid to the measurement of the effectiveness of the means adopted to combat it Thus this volume delves into this issue and performs an analysis of the police dimension of the response to organized crime in Spain Firstly this volume describes the international phenomenon of organized crime and its evolution in Spain and continues by analyzing the profile and the characteristics of the different police forces and their resources and capabilities This book then discusses the consequences of the measures at international level European Union level and local level in relation to other police forces Finally the volume addresses the legal and public policy efforts that Spanish Law Enforcement Agencies have made in supervising or regulating their own police forces which is necessary to carry out a detailed analysis of the consequences on the presence and strength of organized crime in the structures strategies and decisions that Spain adopted over the last decades As a result this book builds on and updates the previous work by international scholars and proposes an interesting methodology that can contribute to the advancement of security studies This book will be of interest to students of organized crime criminology Spanish politics and security studies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

The African Affairs Reader Nic Cheeseman, Lindsay Whitfield, Carl Death, 2017-05-19 African Affairs is the top journal in African Studies and has been for some time This book draws together some of the most influential important and thought provoking articles published in its pages over the last decade In doing so it collates essential cutting edge research on Africa and makes it easily available for students teachers and researchers alike The African Affairs Reader is broken down into four sections

that cover some of the biggest themes and questions facing the continent today including the African State the Political Economy of Development Africa's Relationship with the World and Elections Representation Democracy Within each section articles deal with some of the most significant recent trends and events such as the prospects for democratization in Ghana and Nigeria the factors underpinning Rwanda's economic success the rise of political corruption in South Africa the spread of the drugs trade the struggle against gender based violence and the growing influence of China Each section is introduced by a new purpose written essay by the journal's editors that explains the evolution of the wider debate highlights key contributions and suggests new ways in which the discussion can be taken forward Taken together the essays and articles included in the volume provide both a coherent introduction to the study of Africa and a compelling commentary on the current state of play on the continent

Le droit international face au trafic illégal de biodiversité sauvage Meganne Natali, 2023-03-17 Le trafic illégal de biodiversité sauvage apparaît comme l'un des défis majeurs du XXI^e siècle. Phénomène mondial, l'ampleur inquiétante de ses conséquences multiples et néfastes ont justifié une intervention rapide du droit international en la matière. Toutefois, au regard des chiffres alarmants mettant en évidence la continuité voire l'expansion de ce trafic, il apparaît légitime de se demander si le cadre multilatéral tel qu'actuellement défini permet réellement d'enrayer efficacement le phénomène. Cet ouvrage permet de répondre à cette interrogation et offre, en outre, des pistes de réflexion passionnantes quant aux ventuelles solutions normatives, économiques et sociales, mobiliser pour perfectionner le cadre global. Au-delà d'un constat lucide sur les forces et les faiblesses des règles en vigueur, ce travail particulièrement documenté est donc ancré dans un pragmatisme certain et tourne vers une utilité concrète. Incontestablement, cette étude par l'actualité brûlante de la thématique qu'elle traite par son exhaustivité et par sa mission apparaît donc aussi nécessaire que définitive.

Escenarios de inseguridad en América Latina y los actuales retos en Colombia Sonia Alda Mejías, Susana de Sousa Ferreira, 2017 El presente libro recoge un conjunto de trabajos a través de los cuales es posible conocer las últimas aportaciones que se están realizando desde el espacio académico, militar e institucional en los ámbitos de la seguridad y la defensa en América Latina. En este contexto, los temas abordados en el libro son particularmente oportunos, ya que con las aportaciones de prestigiosos autores se analiza la complejidad de dicho escenario y sus desafíos, las políticas de seguridad que se están aplicando, tanto sus virtudes como sus limitaciones, las fuerzas de seguridad que están actuando ante el tipo de amenazas dominantes y las posibles alternativas o nuevas propuestas que pretenden aportar soluciones y mejorar la eficiencia y la eficacia de dichas fuerzas de seguridad. Cada uno de los capítulos que componen el presente libro ha sido discutido en el marco de la IX Semana Iberoamericana de la Seguridad y la Defensa celebrada en Colombia en el mes de octubre de 2016 y organizada conjuntamente por el Instituto la Universidad Militar Nueva Granada y la Escuela Superior de Guerra de Colombia. Este es el principal y más internacional evento que de manera regular viene convocando el Instituto Universitario General Gutiérrez Mellado desde 2002, en absoluta coherencia con los objetivos funcionales del centro: fomentar espacios de reflexión y diálogo.
