Traveling Light Releasing The Burdens You Were Never Intended To Bear:

Traveling Light Deluxe Edition Max Lucado, 2013-04-01 We're all weighed down by loads we were never intended to carry. With New York Times bestselling author and pastor Max Lucado as your guide, *Traveling Light* invites you to release some of those heavy burdens and experience true rest. We've all seen weary travelers everything they own crammed into their luggage staggering through terminals and hotel lobbies with overstuffed suitcases, trunks, duffels, and backpacks. Backs ache. Feet burn. Eyelids droop. We've all seen people like that. At times we are people like that. If not with our physical luggage, then at least with our spiritual load. The suitcase of guilt. A sack of discontent. You drape a duffel bag of weariness on one shoulder and a hanging bag of grief on the other. Add on a backpack of doubt, an overnight bag of loneliness, and a trunk of fear. Pretty soon you're pulling more stuff than a skycap. No wonder you're so tired at the end of the day. Lugging luggage is exhausting. Centered around the comforting, uplifting words of Psalm 23, *Traveling Light* will give you the encouragement and the tools you need to release the burdens of Self-reliance, Arrogance, Hopelessness, Disappointment, Shame. There are certain weights in life that we simply aren't designed to carry, and Max reminds us that the Lord is asking you to set them down and trust him. He is the father at the baggage claim. When a dad sees his five-year-old son trying to drag the family trunk off the carousel, what does he say? The father will say to his son, what God is saying to you: Set it down, child. I'll carry that one. What if we took God up on his offer? We just might find ourselves traveling a little lighter. **Traveling Light-**

 Religion has gone public and the much discussed political pendulum has been swinging widely in its effort to keep up with the eruptions of faith swelling the broadband Private faith finds very public outlets through the media's appetite for voices and choices Faith based networks have become media savvy urging their members to send barrages of emails faxes telephone calls letters of praise or outrage to politicians Those same politicians return the volley using the broadcast media with great skill wooing the faithful convincing the cynical that God is on their side Only a deity could be on so many sides simultaneously Alice Bach's new book reflects her long time focus on the Bible religion and culture Popular religion is expressed within our culture in rock videos televangelism political rhetoric children's books films and animations Every sort of media from print to electronic to broadband is imbued with subtle and blatant religious imagery The media are new the message is not The tightly woven pattern of religion politics and media has been part of the American fabric since the country was founded When one examines this cultural cloth threads of varying colours are revealed threads whose twists reflect both media coverage of religion and religious views of the media New Hope for Life's Challenges Charles R.
