Family-Based Treatment for Eating Disorders Piece by Piece James Lock, Aileen Whyte, Brittany Matheson, Nandini Datta, 2024-02-20 The book illustrates how parents who are participating in family based

treatment FBT for their child's eating disorder ED may enhance their chances of achieving optimal outcomes for their child by more successfully navigating the challenges that often impede progress in treatment and recovery. The stance of the book is transdiagnostic so that the information provided spans all ED diagnoses including anorexia nervosa AN bulimia nervosa BN binge eating disorder BED avoidant restrictive food intake disorder ARFID and atypical ED presentations as well as conditions that fall outside current diagnostic criteria. This book aims to help parents identify how they can make the most out of FBT therapy no matter which ED symptoms their child experiences. Case vignettes across the diagnostic and clinical spectrum are used liberally throughout the book not only to illustrate examples of some of the specific challenges families face but to help parents normalize the emotions they may feel around their experience of trying to help their child and around their experience of participating in the FBT intervention itself. A respectful and supportive tone makes this resource accessible and jargon free for parents and provides useful information and approaches for psychologists psychiatrists social workers and allied health practitioners who deliver FBT to young people and families.

Anorexia Nervosa Janet Treasure, June Alexander, 2013-06-19 The highly respected and widely known *Anorexia Nervosa: A Survival Guide for Sufferers and Friends* was written in 1997. This long awaited new edition builds on the work of the first book providing essential new and updated research outcomes on anorexia nervosa. It offers a unique insight and guidance into the recovery process for those who suffer from an eating disorder as well as advice and information for their loved ones. Written collaboratively by both an expert in the field and someone with personal experience of eating disorders, this book offers exceptional understanding of the issues surrounding the illness. Divided into four sections it includes an outline of anorexia nervosa coping strategies for sufferers advice and information for families carers and friends guidelines for professionals who are involved in the sufferer's life. Families friends carers and professionals such as teachers and GPs are encouraged to read all sections in order to fully understand the illness. With an emphasis on collaboration and a layout that enables content to be referenced and read in any order, this book is an essential resource for anyone affected directly or indirectly by anorexia nervosa.
