The Great Expectations School Dan Brown, 2007 At 22 Dan Brown came to the Bronx s P S 85 as an eager fresh faced teacher Unbeknownst to him his assigned class 4 217 was the designated dumping ground for all fourth grade problem cases and his students would prove to be more challenging than he could ever anticipate Intent on being a caring dedicated teacher but confronted with unruly children absent parents and a failing administration Dan was pushed to the limit time and again he found himself screaming with rage punching his fist through a blackboard out of sheer frustration often just wanting to give up and walk away Yet in this seeming chaos he slowly learned from his own mistakes and discovered an unexpected well of inspiration to discipline and teach and make a difference **The Great Expectations School** is the touching journey of Class 4 217 and their teacher Mr Brown but more than that it is the revealing story of a broken educational system and all those struggling within and fighting against it

Jarhead Anthony Swofford, 2005-11-11 Anthony Swofford s *Jarhead* is the first Gulf War memoir by a frontline infantry marine and it is a searing unforgettable narrative When the marines or jarheads as they call themselves were sent in 1990 to Saudi Arabia to fight the Iraqis Swofford was there with a hundred pound pack on his shoulders and a sniper s rifle in his hands It was one misery upon another He lived in sand for six months his girlfriend back home betrayed him for a scrawny hotel clerk he was punished by boredom and fear he considered suicide he pulled a gun on one of his fellow marines and he was shot at by both Iraqis and Americans At the end of the war Swofford hiked for miles through a landscape of incinerated Iraqi soldiers and later was nearly killed in a booby trapped Iraqi bunker Swofford weaves this experience of war with vivid accounts of boot camp which included physical abuse by his drill instructor reflections on the mythos of the marines and remembrances of battles with lovers and family As engagement with the Iraqis draws closer he is forced to consider what it is to be an American a soldier a son of a soldier and a man Unlike the real time print and television coverage of the Gulf War which was highly scripted by the Pentagon Swofford s account subverts the conventional wisdom that U S military interventions are now merely surgical insertions of superior forces that result in few American casualties *Jarhead* insists we remember the Americans who are in fact wounded or killed the fields of smoking enemy corpses left behind and the continuing difficulty

that American soldiers have reentering civilian life A harrowing yet inspiring portrait of a tormented consciousness struggling for inner peace Jarhead will elbow for room on that short shelf of American war classics that includes Philip Caputo's A Rumor of War and Tim O'Brien's The Things They Carried and be admired not only for the raw beauty of its prose but also for the depth of its pained heart **American Book Publishing Record** ,1998
