Archbishop William Lori

Trinity Sunday Homily Catholic:

Faith, Love, and Mercy Richard R. Roach, 2015-10-15 Faith Love and Mercy is a selection from the weekly homilies of noted moral theologian and pastor Fr Richard Roach SJ who retired from university teaching to lead a small island parish in his last decade His theologically rigorous yet accessible writing reflects decades long contemplation on the significance of Catholic identity in our modern era Combining deep rooted wisdom with vigorous prose the homilies prompt the reader s own reflection on what it is to live the faith daily in a distracting and uncomprehending world Prominent themes include God s merciful love differences between Catholicism and Protestantism spiritual temptations in the contemporary culture the sources of authority faith and reason the Real Presence secular ideologies and anti Catholicism humility redemptive suffering the true meaning of repentance perseverance and providence Over a long ministry devoted to the Jesuit ideal Fr Roach strengthened or awakened the faith of many It is also hoped that this book combining theological vision with pastoral concern occasions serious meditation on one s own journey with God Recommended as a helpful source for students scholars clergy and laypersons interested in Catholic doctrine homiletics and liturgy

Homilies in a New Key Harvey D. Egan SJ, 2021-09-17 These homilies on special liturgical feasts on Jesus Christ on spiritual topics on the feasts of celebrated saints and on special family occasions rethink creatively but in an orthodox way significant aspects of Christianity They resulted in part from over sixty years of Jesuit spirituality philosophical theological study graduate and undergraduate university teaching scholarly research and publishing and pastoral experience as well They reflect years of prayerfully contemplating and thinking deeply about the great Christian heritage in the context of the Second Vatican Council the recent biblical historical and theological scholarship and contemporary issues arising in American culture More specifically behind these homilies there stand unobtrusively the philosophical theological thinking of Karl Rahner and Bernard Lonergan the historical work of Bernard McGinn on the Christian mystical tradition and the outstanding biblical scholarship of N T Wright And yet my homilies attempt to remain faithful to the Mass readings and to the catechism of the hearts of those worshiping and prayerfully drinking in God s word addressed to them Those who have heard them claim they are deep existential exceptional and timely
