Ancient Sword Shattering C. Thomas LaFollette, 2024-01-04 To defeat the vampires Luke must destroy their god The vampires have taken too much from Luke He's lost friends and family Because of them he's been forced to live an immortal life of brutal conflict Now he's going to take everything from them Luke must overcome everything the vampires and their dark god throw at him Assassins werewolves elite vampires and the money and power of the bloodsuckers are arrayed against him He might be a powerful vampire hunter with strong allies but he's near the breaking point As losses mount and Portland burns Luke isn't sure how much more he can lose But after threatening to destroy a god he won't be able to back down The only roads open to Luke are victory or obliteration **Luke Irontree & The Last Vampire War (Books 8-10)** C. Thomas LaFollette, 2024-05-19 Luke Irontree just wanted to fly home But the vampires had other ideas Luke yearns to return to his friends and family after a hard winter fighting against the vampires of Western Europe But when their plane is grounded in Portland Maine they stumble on a deadly plot to terrorize the region Trapped 3 000 miles from home Luke refuses to abandon the Maine pack to the predations of the vampires Together with Roxi and his crew of werewolves he rallies the locals and organizes their defenses But what they find in the woods of Maine may be too much for their small team and their untested new allies If Luke wants to see his loved ones again he'll need to use all his resources to unite the disparate packs of the northeast But with the vampires and their dark god tightening the noose around his neck his best might not be enough if he wants to live and return home Driver ,1976 *Popular Mechanics* ,1990-09 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **American Light Trucks and Utility Vehicles, 1967-1989** J.
