Twentieth Century Poetic Translation Literary Cultures In Italian And English:

Twentieth-Century Poetic Translation Daniela Caselli, Daniela La Penna, 2008-07-01 Twentieth Century Poetic Translation analyses translations of Italian and English poetry and their roles in shaping national identities by merging historical cultural and theoretical perspectives Focusing on specific case studies within the Italian English and North American literary communities spanning from authoritative translations of poets by poets to the role of dialect poetry and anthologies of poetry the book looks at the role of translation in the development of poetic languages and in the construction of poetic canons It brings together leading scholars in the history of the Italian language literary historians and translators specialists in theory of translation and history of publishing to explore the cultural dynamics between poetic traditions in Italian and English in the twentieth century *Echoing Voices in Italian Literature* Teresa Franco, Cecilia Piantanida, 2019-01-08 This collection of essays explores the reception of classics and translation from modern languages as two different yet synergic ways of engaging with literary canons and established traditions in 20th century Italy These two areas complement each other and equally contribute to shape several kinds of identities authorial literary national and cultural Foregrounding the transnational aspects of key concepts such as poetics literary voice canon and tradition the book is intended for scholars and students of Italian literature and culture classical reception and translation studies With its two shifting focuses on forms of classical tradition and forms of literary translation the volume brings to the fore new configurations of 20th century literature culture and thought **Sappho and Catullus in Twentieth-Century Italian and North American Poetry** Cecilia Piantanida, 2021-01-14 Going beyond exclusively national perspectives this volume considers the reception of the ancient Greek poet Sappho and her first Latin translator Catullus as a literary pair who transmit poetic culture across the world from the early 20th century to the present Sappho s and Catullus reception has shaped a transnational network of poets and intellectuals helping to define ideas of origins gender sexuality and national identities This book shows that across time and cultures translations and rewritings of Sappho and Catullus articulate modernist poetics of myth and fragmentation forms of confessionalism and post modern pastiche The inquiry focuses on Italian and North American poetry as two central yet understudied hubs of Sappho s and Catullus modern reception also linked by a rich mutual intellectual exchange key case studies include Giovanni Pascoli Ezra Pound H D Salvatore Quasimodo Robert Lowell Rosita Copioli and Anne Carson and cover a wide range of unpublished archival material Texts are analysed and compared through reception and translation theories and inserted within the current debate on the Classics as World Literature demonstrating how sustained transnational poetic discourse employs the ancient pair to expand notions of literary origins and redefine poetry s relationship to human existence *Transits* Giovanni Cianci, Caroline Patey, Sara Sullam, 2010 The traditional borders between the arts have been eroded to reveal new connections and create new links between art forms Cultural Interactions is intended to provide a forum for this activity It will publish monographs edited collections and

volumes of primary material on points of crossover such as those between literature and the visual arts or photography and fiction music and theatre sculpture and historiography

Likenesses Matthew Reynolds, 2017-07-05 Translation illustration and interpretation have at least two things in common They all begin when sense is made in the act of reading that is where illustrative images and explanatory words begin to form And they all ask to be understood in relation to the works from which they have arisen reading them is a matter of reading readings Likenesses explores this palimpsestic realm with examples from Dante to the contemporary sculptor Rachel Whiteread The complexities that emerge are different from Empsonian ambiguity or de Man's unknowable infinity of signification here meaning dawns and fades as the hologrammic text is filled out and flattened by successive encounters Since all literature and art is palimpsestic to some degree Reynolds proposes this style of interpretation can become a tactic for criticism in general Critics need both to indulge and to distrust the metamorphic power of their interpreting imaginations Likenesses follows on from the argument of Reynolds's The Poetry of Translation 2011 extending it through other translations and beyond them into a wide range of layered texts Browning emerges as a key figure because his poems laminate languages places times and modes of utterance with such compelling energy There are also substantial innovative accounts of Dryden Stubbs Goya Turner Tennyson Ungaretti and many more

Translation and Stylistic Variation Helen Gibson, 2023-09-01 Translation and Stylistic Variation Dialect and Heteroglossia in Northern Irish Poetic Translation considers the ways in which translators use stylistic variation analysing the works of three Northern Irish poet translators to look at how in this variety the translation process becomes a creative act by which translators can explore their own linguistic and cultural heritage The volume offers a holistic portrait of the use of linguistic variety dialect and heteroglossia in the literary translations of Seamus Heaney Ciaran Carson and Tom Paulin shedding light on the translators' choices but also readers' experiences of them Drawing on work from cognitive stylistics Gibson reflects on how and why translators choose to add linguistic variety and how these choices can often be traced back to their socio-cultural context The book not only extends existing scholarship on Irish English literary translation to examine issues unique to Northern Ireland but also raises broader questions about translation in locations where language choice is fraught and political The volume makes the case for giving increased consideration to the role of the individual translator both for insights into personal choices and a more nuanced understanding of contemporary literary translation practices in Ireland and beyond This book will be of interest to scholars working in translation studies literary studies and Irish studies For a video recording of the book's BCLT launch visit <https://www.youtube.com/watch?v=857wTF8crUM>

Modern Italian Poets Jacob Blakesley, 2014-02-24 In 1948 the poet Eugenio Montale published his Quaderno di traduzioni and created an entirely new Italian literary genre the translation notebook The quaderni were the work of some of Italy's foremost poets and their translation anthologies proved fundamental for their aesthetic and cultural development Modern Italian Poets shows how the new genre shaped the poetic practice of the poet translators who worked within it including Giorgio Caproni

Giovanni Giudici Edoardo Sanguineti Franco Buffoni and Nobel Prize winner Eugenio Montale displaying how the poet translators used the quaderni to hone their poetic techniques experiment with new poetic metres and develop new theories of poetics In addition to detailed analyses of the work of these five authors the book covers the development of the quaderno di traduzioni and its relationship to Western theories of translation such as those of Walter Benjamin and Benedetto Croce In an appendix Modern Italian Poets also provides the first complete list of all translations and quaderni di traduzioni published by more than 150 Italian poet translators

The International Reception of Samuel Beckett Mark Nixon,Matthew Feldman,2011-10-27 Over the last decade Samuel Beckett s popularity has rocketed around the world and he is increasingly recognised as one of the most important and influential writers of the twentieth century but there has been very little scholarly work on Beckett s reception outside Europe This comprehensive volume brings together essays from leading critics on Beckett s international critical reception Due to Beckett s linguistic and artistic abilities he was intimately involved in the translation and production of his writings in German French English and Spanish and consequently countries using these languages have sophisticated critical traditions However many other countries have adopted Beckett as their own from places where he lived for lengthy periods of his life England France Ireland and Germany to those finding directly applicable political messages in his work such as ex Soviet states including the Czech Republic and Romania and those countries whose national literary traditions bear heavily upon his work e g Norway and Italy This fascinating volume reveals Beckett s evolving critical reception from contemporary reviews to the present

Untranslatability Duncan Large,Motoko Akashi,Wanda Józwickowska,Emily Rose,2018-07-27 This volume is the first of its kind to explore the notion of untranslatability from a wide variety of interdisciplinary perspectives and its implications within the broader context of translation studies Featuring contributions from both leading authorities and emerging scholars in the field the book looks to go beyond traditional comparisons of target texts and their sources to more rigorously investigate the myriad ways in which the term untranslatability is both conceptualized and applied The first half of the volume focuses on untranslatability as a theoretical or philosophical construct both to ground and extend the term s conceptual remit while the second half is composed of case studies in which the term is applied and contextualized in a diverse set of literary text types and genres including poetry philosophical works song lyrics memoir and scripture A final chapter examines untranslatability in the real world and the challenges it brings in practical contexts Extending the conversation in this burgeoning contemporary debate this volume is key reading for graduate students and researchers in translation studies comparative literature gender studies and philosophy of language The editors are grateful to the University of East Anglia Faculty of Arts and Humanities who supported the book with a publication grant

The Poetry of Translation Matthew Reynolds,2011-09-29 Poetry is supposed to be untranslatable But many poems in English are also translations Pope s Iliad Pound s Cathay and Dryden s Aeneis are only the most obvious examples The Poetry of Translation explodes this paradox launching a new theoretical approach to

translation and developing it through readings of English poem translations both major and neglected from Chaucer and Petrarch to Homer and Logue The word translation includes within itself a picture of something being carried across This image gives a misleading idea of goes on in any translation and poets have been quick to dislodge it with other metaphors Poetry translation can be a process of opening of pursuing desire or succumbing to passion of taking a view or zooming in or dying metamorphosing or bringing to life These are the dominant metaphors that have jostled the idea of carrying across in the history of poetry translation into English and they form the spine of Reynolds s discussion Where do these metaphors originate Wide ranging literary historical trends play their part but a more important factor is what goes on in the poem that is being translated Dryden thinks of himself as opening Virgil s Aeneid because he thinks Virgil s Aeneid opens fate into world history Pound tries to bring Propertius to life because death and rebirth are central to Propertius s poems In this way translation can continue the creativity of its originals The Poetry of Translation puts the translation of poetry back at the heart of English literature allowing the many great poem translations to be read anew

Poetry & Translation Peter Robinson,2010-01-01 The conviction pleasures and gratitude of committed reading are evident in his affirmation of the poetic contract between readers and writers Andrea Brady Poetry Review

Samuel Beckett in Context Anthony Uhlmann,2013-02-28 Provides a comprehensive exploration of Beckett s historical cultural and philosophical contexts offering new critical insights for scholars and general readers

Parallaxes Marco Canani,Sara Sullam,2014-04-11 Borrowed from optics the concept of parallax identifies the apparently relative position of objects according to the lines of sight determined by the viewer s standpoint This concept proves particularly useful in opening new insights into the work of two major authors of Modernist literature although coincidentally born and deceased in the same years 1882 1941 James Joyce and Virginia Woolf are seldom the object of a joint outlook Such a watertight separation is witnessed by the scarcity of scholarly work concerned with the relationship between two authors who on the other hand often feature together in studies and anthologies on Modernism Parallaxes fills this void by tackling the many implications of Woolf and Joyce s difficult if not failed encounter and provides new perspectives on the connections between their respective work The essays in the volume investigate the works of the two writers seven decades after their death from a variety of angles both singularly and jointly stimulating dialogue between scholars in both Woolf and Joyce studies

Modernist Eroticism S. A. Schaffner,S. Weller,2012-09-27 This volume explores the impact of sexological and early psychoanalytic conceptions of sexual perversion on the representation of the erotic in the work of a range of major European modernists including Joyce Kafka Lawrence Mann Proust and Rilke as well as in that of some less well known figures of the period such as Dujardin and Jahn

Beckett Critical Reader S.E. Gontarski,2019-07-30 The Reader makes readily available for the first time 17 major previously uncollected significant essays from the Journal of Beckett Studies from 1992 to the present

The Middle Ages in the Modern World Bettina Bildhauer,Chris Jones,2017-09-28 This book provides many fresh perspectives on why and how the

Middle Ages continue to matter so much in the 21st century It is therefore as much about recent cultural and political history as it is about medieval history and medieval literature The introduction provides a long overview of medievalism from the 14th to the 21st centuries **AdI** ,1983 **Literary Culture and U.S. Imperialism** John Carlos Rowe,2000 John Carlos Rowe considered one of the most eminent and progressive critics of American literature has in recent years become instrumental in shaping the path of American studies His latest book examines literary responses to U S imperialism from the late eighteenth century to the 1940s Interpreting texts by Charles Brockden Brown Poe Melville John Rollin Ridge Twain Henry Adams Stephen Crane W E B Du Bois John Neihardt Nick Black Elk and Zora Neale Hurston Rowe argues that U S literature has a long tradition of responding critically or contributing to our imperialist ventures Following in the critical footsteps of Richard Slotkin and Edward Said Literary Culture and U S Imperialism is particularly innovative in taking account of the public and cultural response to imperialism In this sense it could not be more relevant to what is happening in the scholarship and should be vital reading for scholars and students of American literature and culture

Twentieth-century Italian Literature in English Translation Robin Healey,1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence The British National Bibliography Arthur James Wells,2009

Twentieth Century Poetic Translation Literary Cultures In Italian And English Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Twentieth Century Poetic Translation Literary Cultures In Italian And English free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Twentieth Century Poetic Translation Literary Cultures In Italian And English free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for

specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Twentieth Century Poetic Translation Literary Cultures In Italian And English free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Twentieth Century Poetic Translation Literary Cultures In Italian And English. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Twentieth Century Poetic Translation Literary Cultures In Italian And English any PDF files. With these platforms, the world of PDF downloads is just a click away.
