White, and Salvation* R. Van Orden, 2018-06-11 This book started out as an intense personal study by the author to evaluate and confirm his beliefs about God and salvation in regard to the teaching of the Seventh Day Adventist Church Why is it that so many Seventh Day Adventists do not have the assurance of salvation What criteria in the Bible and what specifically in Ellen G White s writings might lead someone to believe they were not fit for heaven that they did not qualify to be there that God would not forgive them and there was more required than just relying on Jesus s sacrifice to cover their sins If they did not meet a strict set of rules would God cast them aside in the end In this book you will find out just who are the saved who are the lost and what happens to them in the end and what end times will look like according to Ellen G White and the SDA Church The author estimates he has spent well in excess of ten thousand hours and has read over fifteen thousand pages of material over a seven year period in the preparation of this book It is the author s hope and prayer that this book will make the reader question not their belief in the saving grace of God and the loving sacrifice of Jesus but rather question anything that might have come between them and that grace [Teaching Self-Compassion to Teens](#) Lorraine Hobbs, Niina Tamura, 2022-04-15 Grounded in knowledge about the unique developmental challenges of adolescence this book presents an innovative approach for teaching self compassion to teens and young adults in clinical educational or community settings Lorraine Hobbs and Niina Tamura provide guided practices creative exercises and teaching strategies adapted from Kristin Neff and Christopher Germer s widely disseminated Mindful Self Compassion program for adults Case examples sample dialogues and scripts illustrate how to set up and run successful groups that address teen concerns such as self criticism self esteem social comparison and strong emotions The book offers guidelines for cultivating a personal practice and working with parents Tips for providing a safe effective learning environment are woven throughout a special chapter covers trauma sensitive teaching *Defeating Addiction and Alcoholism* Susan Henneberg, 2015-12-15 Many teens experiment with alcohol and drugs but experimenting can quickly turn into addiction for some With so many celebrities checking in and out of rehab it may seem like addiction is no big deal maybe even glamorous However it is a very real problem According to the National Survey on Drug Use and Health 3 percent of young adults are dependent on alcohol while 11 percent are dependent on illicit drugs This useful resource teaches readers what addiction is who is at risk how to identify the problem and how to find help when things get out of hand *Publishers Weekly* ,1985 **EBook Twenty Four Hours a Day (24 Hours) Journal** Richmond
