The Power of Pictures Beth Olshansky, 2008-04-18 In *The Power of Pictures* book and companion DVD Beth Olshansky introduces teachers to her innovative art-based approach to literacy instruction. Widely practiced in classrooms across the country, the model has been proven by research to improve literacy achievement with a wide range of learners, especially those who struggle with verbal skills. At the heart of her approach is the Artists Writers Workshop. Through study of quality picture books and hands-on art experiences, students learn to visualize, paint pictures with words, and ultimately create their own extraordinary artistic and literary work. The book and DVD explain how any teacher can successfully use this process to enable all students, particularly low performers, to make dramatic gains in both reading and writing.

Guided Listening Lisa Donohue, 2007 This comprehensive guide offers a framework for using read-aloud and other oral language experiences to build reading comprehension skills and help students record, share, value, and interpret ideas. These organizational tools free students to listen more attentively, organize their responses, and watch for subtle clues such as body language that are an important part of listening. The book is organized around common reading strategies including making inferences and predictions, making connections, visualizing, asking questions, and synthesizing. Tools to complement these strategies include reproducible graphic organizers, rubrics, forms for recording student progress, and numerous worksheets.

Your Child's Writing Life Pam Allyn, 2011-08-02 An illuminating resource to help parents foster a love of writing in their child's life, filled with writing prompts, engaging home learning activities, and more. New educational research reveals that writing is as fundamental to a child's development as reading. But though there are books that promote literacy, no book guides parents in helping their child cultivate a love of writing. In this book Pam Allyn, a nationally recognized educator and literacy expert, reminds us that writing is not only a key skill but also an essential part of self-discovery and critical to success later in life. Allyn offers the five keys to help kids WRITE: Word, Power, Ritual, Independence, Time, and Environment, along with fun, imaginative prompts to inspire and empower children to put their thoughts on the page. A groundbreaking blueprint for developing every child's abilities, *Your Child's Writing Life* teaches parents how to give a gift that will last a lifetime.

Begin Again Leeana Tankersley, 2018-04-03 What happens when life begins to trip us up and failure starts creeping in? Many of us just keep on doing the same thing, hoping for different results. Some of us look for escape to find a way out of the mess we feel that we've created. But neither enduring nor escaping is ultimately what we need. The answer is to allow ourselves to begin again every day in every part of our lives. Through engaging lyrical prose, Leeana Tankersley shows women how to forgive themselves, develop new and healthier patterns of living, and do away with resentment and regret. Her life-giving

words will free women who are feeling stuck and allow them to clear out the debris to make room for what God wants to do in their lives To begin again is to open the window even a crack to let the breeze of grace come in It is a call to stop running from our fears To take one small step toward becoming the brave women we were made to be **Fostering Writing in**
