[Mumbai Noir](#) Altaf Tyrewala, 2012-02-28 The stories in this noir anthology are as raw and diverse as the city of Mumbai itself humming with the feel for the city's pulse and patter The National Today Mumbai is like any other Asian city on the rise with gigantic construction cranes winding atop upcoming skyscrapers and malls Right wing violence failing electricity and water supplies overcrowding and the ever looming threat of terrorist attacks these are some of the gruesome realities that Mumbai's middle and working classes must deal with every day while the city's super rich zip from roof to roof in their private choppers Abandoned by its wealthy mistreated by its politicians and administrators Mumbai continues to thrive primarily because of the helpless resilience of its hardworking upright citizens The stories in Mumbai Noir depict the

many ways in which the city's ever present shadowy aspects often force themselves onto the lives of ordinary people. What emerges is the sense of a city that despite its new name and triumphant tryst with capitalism is yet to heal from the wounds of the communal riots of the 1990s and from all the subsequent acts of havoc wreaked within its precincts by both local and outside forces. Mumbai Noir features stories by Annie Zaidi, R. Raj Rao, Abbas Tyrewala, Avtar Singh Ahmed, Bunglowala, Smita Harish Jain, Sonia Faleiro, Altaf Tyrewala, Namita Devidayal, Jerry Pinto, Kalpish Ratna, Riaz Mulla, Paromita Vohra, and Devashish Makhija.

The Thought of Bal Gangadhar Tilak Robert E. Upton, 2024. This work is a systematic study of Bal Gangadhar Tilak's thought focusing on his views on communal relations within the Indian polity on caste and reform in Hindu society and on political ethics regarding violence and non-cooperation. The Thought of Bal Gangadhar Tilak adopts a contextualist approach situating his ideas in local Maharashtrian as well as pan-Indian and global cultural intellectual contexts. The approach blends Tilak's quotidian journalism and speeches alongside his canonical texts on Aryan history and on the Bhagavad Gita. The work marks a departure from current interpretations emphatically arguing that he is misappropriated and/or misunderstood as a proto-Hindutva thinker. Instead, he is revealed to be a radical liberal who supports counter-autocratic violence, a majoritarian pluralist in terms of intercommunity relations, a self-strengthening reformer focused on masculinity committed to reshaping India for the challenges of modernity, something fused in his thought with a resilient Brahmin supremacism. This book lays emphasis on his remarkable recognition as the nation's founding father and particularly demonstrates how his appropriation by Gandhi was in turn contested by those emphasising Tilak's embrace of violence, particularly in the crucial mid-1920s period when he was indelibly linked to re-emerging Hindutva. More recently, growing ahistorical demi-official insistence on his social progressivism illustrates a change in India's public culture as does the use of popular or even legal pressure to de-legitimize perennial criticism of Tilak's socio-political positions.

The Indian English Novel Priyamvada Gopal,2009-01-29 The Oxford Studies in Postcolonial Literatures series offers stimulating and accessible introductions to definitive topics and key genres and regions within the rapidly diversifying field of postcolonial literary studies in English It is often claimed that unlike the British novel or the novel in indigenous Indian languages Anglophone fiction in India has no genealogy of its own Interrogating this received idea Priyamvada Gopal shows how the English language or Anglophone Indian novel is a heterogeneous body of fiction in which certain dominant trends and recurrent themes are nevertheless discernible It is a genre that has been distinguished from its

inception by a preoccupation with both history and nation as these come together to shape what scholars have termed the idea of India Structured around themes such as Gandhi and Fiction The Bombay Novel and The Novel of Partition this study traces lines of influence across significant literary works and situates individual writers and texts in their historical context Its emergence out of the colonial encounter and nation formation has impelled the Anglophone novel to return repeatedly to the question What is India In the most significant works of Anglophone fiction India emerges not just as a theme but as a point of debate reflection and contestation Writers whose works are considered in their context include Rabindranath Tagore Mulk Raj Anand RK Narayan Salman Rushdie Nayantara Sahgal Amitav Ghosh Arundhati Roy and Vikram Seth
