Harding, 1982-03-25 *Meter and Meaning* Thomas Carper, Derek Attridge, 2020-08-26 Poet Thomas Carper and scholar Derek Attridge join forces in *Meter and Meaning* to present an illuminating and user friendly way to explore the rhythms of poetry in English They begin by showing the value of performing any poem aloud so that we can sense its unique use of rhythm From this starting point they suggest an entirely fresh jargon free approach to reading poetry Illustrating their beat offbeat method with a series of exercises they help readers to appreciate the use of rhythm in poems of all periods and to understand the vital relationship between meter and meaning Beginning with the very basics *Meter and Meaning* enables a smooth progression to an advanced knowledge of poetic rhythms It is the essential guide to meter for anyone who wants to study write better appreciate or simply enjoy poetry Carper and Attridge make studying meter a pleasure and reading poetry a revelation *Eternity's Sunrise* Leo Damrosch, 2015-10-28 William Blake overlooked in his time remains an enigmatic figure to contemporary readers despite his near canonical status Out of a wounding sense of alienation and dividedness he created a profoundly original symbolic language in which words and images unite in a unique interpretation of self and society He was a counterculture prophet whose art still challenges us to think afresh about almost every aspect of experience social political philosophical religious erotic and aesthetic He believed that we live in the midst of Eternity here and now and that if we could open our consciousness to the fullness of being it would be like experiencing a sunrise that never ends Following Blake's life from beginning to end acclaimed biographer Leo Damrosch draws extensively on Blake's poems his paintings and his etchings and engravings to offer this generously illustrated account of Blake the man and his vision of our world The author's goal is to inspire the reader with the passion he has for his subject achieving the imaginative response that Blake himself sought to excite The book is an invitation to understanding and enjoyment an invitation to appreciate Blake's imaginative world and in so doing to open the doors of our perception Songs of Innocence and of Experience William Blake, 2003 Digitized facsimiles of the 1794 and 1826 London editions both from the Lessing J Rosenwald Collection Library of Congress
