Wanted Dead Or Alive Manhunts From Geronimo To Bin Laden:

Wanted Dead or Alive Benjamin Runkle, 2025-05-21 Early May 2011 in a dramatic late night appearance at the White House President Obama declared that justice has been done as he announced that Osama bin Laden was dead After more than a decade of military operations across Central Asia and the Middle East the Al Qaida leader who orchestrated the 9 11 terrorist attacks was finally killed in a firefight with U S Navy SEALs in Pakistan Although this daring raid marked the end of the longest strategic manhunt in American history bin Laden was not the first individual targeted as the objective of a military campaign From Geronimo to Pancho Villa to Manuel Noriega to Saddam Hussein the United States has deployed military forces to kill or capture a single person nearly a dozen times since 1885 Part military history part action thriller and part strategic policy analysis **Wanted Dead or Alive** chronicles the extraordinary efforts of the military and intelligence agencies to bring America s enemies to justice **Congressional Pathfinders** J. Michael Martinez, 2021-02-04

Congressional Pathfinders First Members of Congress and How They Shaped American History discusses those men and women whose service in the United States Congress as improbable as it was marked a turning point in history To be the first black American or the first woman to serve in a largely white male dominated institution requires a level of moral courage seldom found in ordinary people To be openly gay to subscribe to the Muslim faith in a nation often fearful and ignorant of Islam or to navigate the hallways of power with physical disabilities is to be cognizant of one s separateness To be an other is to feel the stigma of that difference and yet to persevere is to forge a path for later generations of others to follow The service of these courageous men and women forever changed Congress and by extension the nation they truly were congressional pathfinders Nancy Pelosi Daniel Inouye Margaret Chase Smith Shirley Chisholm Ilhan Omar and Hillary Clinton are among the many figures profiled in **Congressional Pathfinders** *The Greatest Criminal Cases* J. Michael Martinez, 2014-03-28 This fascinating book recounts the compelling stories behind 14 of the most important criminal procedure cases in American legal history Many constitutional protections that Americans take for granted today the right to exclude illegally obtained evidence the right to government financed counsel and the right to remain silent among others were not part of the original Bill of Rights but were the result of criminal trials and judicial interpretations The untold stories behind these cases reveal circumstances far more interesting than any legal dossier can evoke Author J Michael Martinez provides a brief introduction to the drama and intrigue behind 14 leading court cases in American law This engaging text presents a short summary of high profile legal proceedings from the late 19th century through recent times and includes key landmark cases in which the court established the parameters of probable cause for searches the features of due process and the legality of electronic surveillance The work offers concise explanations and analysis of the facts as well as the lasting significance of the cases to criminal procedure **Hiding in Plain Sight** Eric Stover, Victor Peskin, Alexa Koenig, 2016-04-12 **Hiding in Plain Sight** tells the story of the global effort to apprehend the world s most wanted fugitives Beginning with the

flight of tens of thousands of Nazi war criminals and their collaborators after World War II then moving on to the question of justice following the recent Balkan wars and the Rwandan genocide and ending with the establishment of the International Criminal Court and America's pursuit of suspected terrorists in the aftermath of 9/11 the book explores the range of diplomatic and military strategies both successful and unsuccessful that states and international courts have adopted to pursue and capture war crimes suspects It is a story fraught with broken promises backroom politics ethical dilemmas and daring escapades all in the name of international justice and human rights Hiding in Plain Sight is a companion book to the public television documentary Dead Reckoning Postwar Justice from World War II to The War on Terror For more information about the documentary visit www.pbs.org/wnet/deadreckoning And for more information about the Human Rights Center visit hrc.berkeley.edu
