War Veterans of Oif Templar Vandalos,2015-12-10 This was written in memory of those who served that did not make it home Or did make it home and could not survive their injuries that could not be seen Just because they made it home does not mean they were not affected or did not get hurt PTSD and TBI is killing veterans daily via suicide and they need everyone s help

Liberia's Women Veterans Leena Vastapuu,2018-03-15 The Liberian civil wars of the 1990s and 2000s became notorious for their atrocities and for the widespread use of child soldiers Girls and young women accounted for up to 40 per cent of these soldiers but their unique perspective and experiences have largely been excluded from accounts of the conflict In Liberia s Women Veterans Leena Vastapuu uses an innovative auto photographic methodology to tell the story of two of Africa s most brutal civil wars through the eyes of 133 female former soldiers Incorporating their testimonies alongside a series of vivid illustrations by Emmi Nieminen the book provides an in depth account of these women s experiences of trauma stigma and the challenges of reintegration into post war society as well as their hopes and aspirations for the future Vastapuu argues that these women too often been perceived merely as passive victims of the conflict can in fact play an important role in post war reconciliation and peace building Overturning gendered perceptions of warfare and militarism the book provides a unique take on humanitarian practices and post conflict societies making essential reading for policymakers as well as students and scholars across the humanities and social sciences

Destiny of a War Veteran Sal Atlantis Phoenix,2007-06-11 The story depicts the life of a conscientious veteran The subject matter of the story is serious and tends towards the realistic side of the aftermath of war The story is about the analysis of the human soul lost in fantasy and in reality about submission and rebellion and about philosophy and tyranny The story is vivid with images and complex and rich in characters It is an intriguing tale that defines the socio political scenarios Vietnam War veteran Joe is tempted to participate in Middle Eastern and international politics compelled with insinuated illusion of establishing freedom and democracy The subsequent effects of the human tragedies engulfed from the political scenarios devastate him and he seeks refuge beyond the realm of humanity
