Pot or Civil War? Reihan Salam, 2018-09-25 Long before Covid 19 and the death of George Floyd rocked America Reihan Salam predicted our current unrest and provided a blueprint for reuniting the country The years to come may see a new populist revolt driven by the resentments of working class Americans of color For too long liberals have suggested that only cruel racist or nativist bigots would want to restrict immigration Anyone motivated by compassion and egalitarianism would choose open or nearly open borders or so the argument goes Now Reihan Salam the son of Bangladeshi immigrants turns this argument on its head In this deeply researched but also deeply personal book Salam shows why uncontrolled immigration is bad for everyone including people like his family Our current system has intensified the isolation of our native poor and risks ghettoizing the children of poor immigrants It ignores the challenges posed by the declining demand for less skilled labor even as it exacerbates ethnic inequality and deepens our political divides If we continue on our current course in which immigration policy serves wealthy insiders who profit from cheap labor and cosmopolitan extremists attack the legitimacy of borders the rise of a new ethnic underclass is inevitable Even more so than now class politics will be ethnic politics and national unity will be impossible Salam offers a solution if we have the courage to break with the past and craft an immigration policy that serves our long term national interests Rejecting both militant multiculturalism and white identity politics he argues that limiting total immigration and favoring skilled immigrants will combat rising inequality balance diversity with assimilation and foster a new nationalism that puts the interests of all Americans native born and foreign born first **Worship with Fasting** Albert Lemmons, 2021-03-08

Worship with Fasting explores both the mystery and practical nature of fasting Most spiritual leaders and believers know what fasting is and that it has some importance in the pages of Scripture but few understand its purpose and power As a result it is a little used weapon in the Church and in believers lives today In Worship with Fasting Lemmons connects the dots between worship prayer fasting and the Holy Spirit's power Worship with Fasting will give you a hunger for more of the presence of God and instruction on how to incorporate fasting into your individual and church life Worship with Fasting is written by highly gifted and respected teacher Dr Albert Lemmons In fact Dr Thomas Keith Roberts in the Foreword quotes a pastor who once told him When Albert Lemmons clears his throat he gives you more wisdom than most people can by talking all day long **Museum Curatorship in the**
