The Block Plan Preschool Parent Handbook Katy Harder, 2017-11-15 The Block Plan Preschool is the ultimate tool for parents to use in bringing in free play and reducing structure in children's lives while still making sure they are challenged, inspired, and ready for school. The Parent Handbook is an abridged version of *The Block Plan Preschool: Preparing Your Child at Home for Kindergarten*. It includes discussion of early education philosophy, kindergarten readiness, how to make the curriculum work for your family, and themes and book lists for each month. Perfect for taking to the library to collect books from the book list or giving to caregivers or grandparents so they understand your parenting philosophy, the Parent Handbook is printed in a convenient trade paperback format. The flexible structure of The Block Plan Preschool helps children learn all they need to know before entering public school but allows them to explore and learn at their own pace and according to their own interests. Best of all, the lessons are fun for both parents and kids and helps the whole family play together. Parents are a child's most important teachers, and The Block Plan Preschool is an empowering resource to help them improve their child's early education, reclaim the simplicity and freedom of childhood, and enhance family relationships.
