Ethics in British Children's Literature Lisa Sainsbury, 2013-08-29 Featuring close readings of selected poetry visual texts short stories and novels published for children since 1945 from Naughty Amelia Jane to Watership Down this is the first extensive study of the nature and form of ethical discourse in British children's literature *Ethics in British Children's Literature* explores the extent to which contemporary writing for children might be considered philosophical tackling ethical spheres relevant to and arising from books for young people such as naughtiness good and evil family life and environmental ethics Rigorously engaging with influential moral philosophers from Aristotle through Kant and Hegel to Arno Leopold Iris Murdoch Mary Midgley and Lars Svendsen this book demonstrates the narrative strategies employed to engage young readers as moral agents Bookbuyers' Reference Book ,1993 Paperbacks in Print ,1979 Readers, Texts, Teachers Bill Corcoran, W. D. Emrys Evans, 1987 **Read on** Stuart Marriott, 1995 Fiction has immense benefits for children It has powerful and positive effects on children's language development and also provides them with access to a limitless world of artistry and imagination and to vicarious experience which is both extensive and complex The purpose of this book is to provide both a rationale and a strategy for the use of fiction in primary schools A policy framework for fiction is described and ways in which stories can be appropriately used in teaching and learning in the classroom are proposed A range of practical ideas for classroom work with specific novels and stories is suggested The National Curriculum requires that children develop as enthusiastic independent and reflective readers This book will prove a valuable resource for that purpose

International Companion Encyclopedia of Children's Literature Peter Hunt, 2004-08-02 Children's publishing is a huge international industry and there is ever growing interest from researchers and students in the genre as cultural object of study and tool for education and socialization Orana ,1981 *The End of the Sentence* Pamela Windham Stewart, Jessica Collier, 2019-01-15 HMP Holloway was the largest women's prison in Europe historically holding numerous infamous female criminals and eliciting intrigue and fascination from the public *The End of the Sentence* Psychotherapy with Female Offenders documents the rich and varied psychotherapeutic work undertaken by dedicated specialists in this intense and often difficult environment where attempts to provide psychological security were often undermined by conflicting ideas of physical security Women commit crime most often in the context of poverty addiction and transgenerational violence or trauma familial cycles of offending and imprisonment which are often overlooked Using personal testimony and case studies and screened through the lens of psychoanalytic theory the book examines the enduring therapeutic and relational endeavour to find connection closure and to experience a good enough ending with prisoners when the possibility of a

positive new beginning often seemed remote It also considers how the cultural and political discourse remains hostile towards women who are incarcerated and how this may have culminated in the closure of the only female prison in London Through insightful real life accounts this insightful book also emphasizes the importance of professionals finding ways of supporting one another to offer women who have entered the criminal justice system a way to leave it It will prove fascinating reading for forensic psychotherapists forensic psychologists and criminologists as well as anything interested in the criminal justice system Children's Literature Collections Keith O'Sullivan,Pádraic Whyte,2017-05-19 This book provides scholars both national and international with a basis for advanced research in children s literature in collections Examining books for children published across five centuries gathered from the collections in Dublin this unique volume advances causes in collecting librarianship education and children s literature studies more generally It facilitates processes of discovery and recovery that present various pathways for researchers with diverse interests in children s books to engage with collections From book histories through bookselling information on collectors and histories of education to close text analyses it is evident that there are various approaches to researching collections In this volume three dominant approaches emerge history and canonicity author and text ideals and institutions Through its focus on varied materials from fiction to textbooks this volume illuminates how cities can articulate a vision of children s literature through particular collections and institutional practices Fiction, Folklore, Fantasy & Poetry for Children, 1876-1985: Titles, awards ,1986 **Joyce in the Belly of the Big Truck; Workbook** Joyce A.
