Gerdts,Patricia Trenton,2003-11-10 Presenting interpreting and celebrating the world renowned and the lesser known California artists who have uniquely defined and redefined the still life this volume offers an exploration of the sensual pleasures the aesthetic challenges and the intellectual and perceptual associations of a century of art through the prism of a single genre BOOK JACKET The Accidental Masterpiece Michael Kimmelman,2006-07-25 A New York Times bestseller a dazzling and inspirational survey of how art can be found and appreciated in everyday life Michael Kimmelman the prominent New York Times writer and a regular contributor to The New York Review of Books is known as a deep and graceful writer across the disciplines of art and music and also as a pianist who understands something about the artist s sensibility from the inside Readers have come to expect him not only to fill in their knowledge about art but also to inspire them to think about connections between art and the larger world which is to say to think more like an artist Kimmelman s many years of contemplating and writing about art have brought him to this wise wide ranging and long awaited book It explores art as life s great passion revealing what we can learn of life through pictures and sculptures and the people who make them It assures us that art points of contact with the exceptional that are linked straight to the heart can be found almost anywhere and everywhere if only our eyes are opened enough to recognize it Kimmelman regards art like all serious human endeavors as a passage through which a larger view of life may come more clearly into focus His book is a kind of adventure or journey It carries the message that many of us may not yet have learned how to recognize the art in our own

lives To do so is something of an art itself A few of the characters Kimmelman describes like Bonnard and Chardin are great artists But others are explorers and obscure obsessives paint by numbers enthusiasts amateur shutterbugs and collectors of strange odds and ends Yet others like Charlotte Solomon a girl whom no one considered much of an artist but who secretly created a masterpiece about the world before her death in Auschwitz have reserved spots for themselves in history or not with a single work that encapsulates a whole life Kimmelman reminds us of the Wunderkammer the cabinet of wonders the rage in seventeenth century Europe and a metaphor for the art of life Each drawer of the cabinet promises something curious and exotic instructive and beautiful the cabinet being a kind of ideal self contained universe that makes order out of the chaos of the world The Accidental Masterpiece is a kind of literary Wunderkammer filled with lively surprises and philosophical musings It will inspire readers to imagine their own personal cabinet of wonders *Masterworks of American Painting at the De Young* Timothy Anglin Burgard, Daniell Cornell, M.H. de Young Memorial Museum, Fine Arts Museums of San Francisco, 2005 Published on the occasion of the reopening of the de Young in Golden Gate Park San Francisco California October 2005 T p verso **For America** Jeremiah William McCarthy, Diana Thompson, 2019-01-01 Featuring paintings by American icons like Winslow Homer and Thomas Eakins this book illustrates the ways American artists have viewed themselves their peers and their painted worlds over 200 years The Folklore of the Freeway Eric Avila, 2014-05-01 When the interstate highway program connected America's cities it also divided them cutting through and destroying countless communities Affluent and predominantly white residents fought back in a much heralded freeway revolt saving such historic neighborhoods as Greenwich Village and New Orleans's French Quarter This book tells of the other revolt a movement of creative opposition commemoration and preservation staged on behalf of the mostly minority urban neighborhoods that lacked the political and economic power to resist the onslaught of highway construction Within the context of the larger historical forces of the 1960s and 1970s Eric Avila maps the creative strategies devised by urban communities to document and protest the damage that highways wrought The works of Chicanas and other women of color from the commemorative poetry of Patricia Preciado Martin and Lorna Dee Cervantes to the fiction of Helena Maria Viramontes to the underpass murals of Judy Baca expose highway construction as not only a racist but also a sexist enterprise In colorful paintings East Los Angeles artists such as David Botello Carlos Almaraz and Frank Romero satirize criticize and aestheticize the structure of the freeway Local artists paint murals on the concrete piers of a highway interchange in San Diego's Chicano Park The Rondo Days Festival in St Paul Minnesota and the Black Archives History and Research Foundation in the Overtown neighborhood of Miami preserve and celebrate the memories of historic African American communities lost to the freeway Bringing such efforts to the fore in the story of the freeway revolt The Folklore of the Freeway moves beyond a simplistic narrative of victimization Losers perhaps in their fight against the freeway the diverse communities at the center of the book nonetheless generate powerful cultural forces that shape our understanding of the urban landscape and influence the

shifting priorities of contemporary urban policy *David Park: A Retrospective* Janet Bishop, 2019-05-28 This generously illustrated volume is the first comprehensive publication devoted to the powerfully expressive work of David Park 1911-60. Best known as the founder of Bay Area Figurative art, Park moved from Boston to California at the age of seventeen and spent most of his adult life in and around San Francisco. In the immediate postwar years, like many avant-garde American artists, he engaged with Abstract Expressionism and painted non-objectively. In a moment of passion in 1949, he made the radical decision to abandon nearly all of his abstract canvases at the Berkeley city dump and return to the human figure, in so doing marking the beginning of the Bay Area Figurative movement. The astonishingly powerful paintings he made in the decade that followed brought together his long-held interest in classic subjects such as portraiture, domestic interiors, musicians, rowers, and bathers, with lush gestural paint handling and an extraordinary sense of color. In 1958-59, Park reached his expressive peak, reveling in the sensuous qualities of paint to create intensely physical, psychologically charged, and deeply felt canvases. This fertile period cut short by illness in 1960, Park transferred his creative energy to other mediums when he could no longer work on canvas. In the last months of his life, bedridden, he produced an extraordinary thirty-foot-long felt-tip pen scroll and a poignant series of gouaches. Published to accompany the first major museum exhibition of Park's work in more than thirty years, *David Park: A Retrospective* traces the full arc of the artist's career from his early social realist and cubist-inspired efforts of the 1930s to his mature figurative paintings of the 1950s and his astounding final works on paper. An overview of Park's full body of work by Janet Bishop, SFMOMA's Thomas Weisel Family Curator of Painting and Sculpture, will be joined by approximately ninety full-color plates of paintings and works on paper, an essay by Tara McDowell on the figure drawing sessions held by Park, Richard Diebenkorn, Elmer Bischoff, Frank Lobdell, and others in their studios starting in 1953, short essays on Park's scroll, his gouaches, and the portraits that Imogen Cunningham and Park made of each other, and an illustrated chronology. Published in association with the San Francisco Museum of Modern Art. Exhibition schedule: Modern Art Museum of Fort Worth, June 2–September 8, 2019; Kalamazoo Institute of Arts, December 21, 2019–March 15, 2020; San Francisco Museum of Modern Art, April 11–September 7, 2020.
