The field stretches towards a horizon under a sky with soft, warm light from a setting or rising sun, creating a hazy, golden glow. The overall mood is peaceful and contemplative.

Bibliography Arthur James Wells, 2009 The Hidden Power of the Gospels Alexander Shaia, PhD, Michelle Gaugy, 2010-02-02. In the tradition of Thomas Moore's *The Care of the Soul* and Don Miguel Ruiz's *The Four Agreements*, Alexander Shaia's *The Hidden Power of the Gospels* reveals how the recurring cycles of change, loss, enlightenment, and maturation are illuminated by the Bible's four gospels. Combining ancient Christian traditions, anthropology, and modern psychology, he reveals how each gospel focuses on a vital spiritual question: Matthew begins with "How do we face change?" Mark faces the hard question of "How do we move through suffering?" John stirs and elevates the soul as he asks "How do we receive joy?" And Luke moves forward on the practical journey as he inquires "How do we mature in service?" By using this lens, the gospels become practical guides for creating faith-filled lives and a map for our never-ending spiritual journey.

Christian Social Action, 1995 **The Discerning Heart** Wilkie Au, Noreen Cannon Au, 2006. Integrating the wisdom of Christian tradition and psychological findings on effective decision making, this book presents a view of Christian discernment that honors the body-spirit unity of the person and the broad and mysterious ways we can be led by the spirit of God in our life choices. Going beyond discernment skills and concrete practices, this book presents a coherent theoretical understanding of discernment that grounds the many spiritual practices used by Christians today. By providing a broad and inclusive understanding of the multiple ways God can provide guidance to individuals, this book helps individuals to honor the unique and idiosyncratic way that they receive divine guidance as well as provides guidelines that guard against possible self-deception and personal blind spots. While including anecdotal accounts and practical elements of Christian discernment, this book provides a conceptual understanding of discernment that will be helpful for those training to be professional ministers, pastors, priests, religious counselors, and spiritual directors. It is unique in applying Christian tradition and contemporary psychological insights to the process of discernment. Decision Making and Spiritual Discernment Nancy L.
