The Wit And Wisdom Of Dr Mahathir Mohamad:

The Wit and Wisdom of Dr Mahathir Mohamad Mahathir Mohamad, 2015-01-07 Malaysia's longest serving and most outspoken prime minister Dr Mahathir Mohamad has been politically active for more than 60 years. As a young doctor, he agitated for independence from the British and promoted the rights of the Malays, and his long political career culminated in his 22-year term as prime minister during which Malaysia's rapid development, his forthright words, and singular policies thrust the country into the eyes of the world. Throughout his career, Dr Mahathir has spoken and written in a frank and uncompromising manner, and he has continued to do so since retiring from the premiership in 2003; he remains a controversial figure to this day. *The Wit and Wisdom of Dr Mahathir Mohamad* is a collection of nearly 600 quotations spanning his time in government and beyond. The quotations are arranged by topic, including those as varied as leadership, race relations, the media, economics, and development, colonialism, international relations, including Israel and Palestine, and Malaysia itself. *Historical Dictionary of Malaysia* Ooi Keat Gin, 2017-12-18 Malaysia is one of the most intriguing countries in Asia in many respects. It consists of several distinct areas, not only geographically but ethnically as well, along with Malays and related groups. The country has a very large Indian and Chinese population. The spoken languages obviously vary at home, although Bahasa Malaysia is the official language, and nearly everyone speaks English. There is also a mixture of religions, with Islam predominating among the Malays, and others, Hinduism and Sikhism among the Indians, mainly Daoism and Confucianism among the Chinese, but also some Christians, as well as older indigenous beliefs in certain places. This second edition of *Historical Dictionary of Malaysia* contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Malaysia. Pemikiran Mahathir Mohamad Mohd.
