noticed it was easy for her to forget her strength and wisdom or simply not voice it in order to keep the peace and stay safe. She wrote *The Woman's Book of Strength* to help herself and readers find the courage to claim and act from our inherent strength and gentle power that promote connection in lieu of separation and build up rather than tear down. For eons women have been conditioned to play small and downplay our power and intelligence. We've been trained to hide our light and had our actions and rights curtailed by laws and customs. No more. Our chaotic unfair out of balance world and our selves desperately need the intuitive kind and respectful energy of feminine values as a guiding light. It is Sue's fervent hope that this book helps you own your compassionate strength so completely that no amount of bullying can make you doubt it or keep you from acting from it.

Birthing Ourselves Into Being Baraka Bethany Elihu, 2010-03-09. With her groundbreaking debut book *Birthing Ourselves into Being: A Year Long Women's Empowerment Program*, author Baraka Bethany Elihu transcends the restrictions of intellectually based therapy by offering an experiential curriculum of personal healing centered not only in doing but in being. Many women are naturally heading towards this gentler organic approach in personal therapeutic work. Women are ready to be simply witnessed in their own mastery. We do not need to be managed, facilitated, taught, or guided, explains Baraka. The experts live within us. *Birthing Ourselves into Being* is fully situated in the metaphor of childbirth. The book consists of twelve chapters that explore the symbolic rhythms of the childbearing year, including pre-conception and postpartum. Offering clear, innovative, and effective steps, this creative arts-based curriculum provides readers tools to emerge with an entirely new life and stories of adventure and love to inspire the journeys of other women. We can surrender to our process and trust that a greater peace in the world will emerge naturally from the very belly of our personal quiet revolutions. Baraka writes: "The space we hold for ourselves and for one another becomes the standard by which the planet responds. It is time. And we are ready."

Naked Tarot Janet Boyer, 2018-09-28. Spiritual adventurers are burning for truth, hungry for ways to affect and improve their destiny. Tarot can deliver, but most books offer impractical, confusing, irrelevant, and regurgitated card interpretations causing seekers to throw up their hands to say, "I just don't get it." The good news? No Golden Dawn snooze fest or Crowley catatonia in the book you're holding. With raw simplicity and outrageous honesty, author Janet Boyer presents helpful, hilarious, and relevant advice that will forever change how you see the cards and finally equip you to understand and read the Tarot. No punches pulled. No sugarcoating. It's time to be forearmed, forewarned, and foresighted. It's time to get naked. A hard-hitting belly laugh inducing, no-nonsense guide to Tarot. Jenne Perlstein.

Strength Sue Patton Thoele, 2019.
