Nicholas Mirzoeff

The Visual Turn The Visual Turn:

The Visual Turn Angela Dalle Vacche, 2003 This collection of essays demonstrates the usefulness of looking at cinema with the analytical methods provided by art theory The Visual Turn is a dialogue between art historians and film theorists from the silent period to the aftermath of World War II

The Visual Turn Sandria Freitag, 2017-10-02 The Visual Turn South Asia Across the Disciplines explores new perspectives made possible by the evidence drawn from visual culture This evidence is utilized by historians literary analysts anthropologists and in a new way art historians Focusing on built environments within their urban contexts the interactions of buildings roads and bodies the meaning making achieved through consumption of images on their own or in concert with literary texts all contribute to a much broader and deeper understanding of change in South Asia Juxtaposed these case studies not only approach their topics in a multi disciplinary manner but also make clear just what scholars from various disciplines can learn from each other to add nuance and depth to their own analyses In the process the authors demonstrate how the application of different methods and theorizing when coupled with a fascinating range of types of evidence contribute to a significant broadening of our abilities to interpret the past and the present In particular these essays bring new ways of thinking about cities as well as the multiple ways that visual culture contributes to individual and collective forms of identity narratives that are negotiated at key moments of change in South Asia Readers will see their own materials and historicized contexts with new eyes This book was published as a special issue of South Asia Journal of South Asian Studies

The Visual Turn and the Transformation of the Textbook James A. LaSpina, 2014-04-04 A study and analysis of how the computer is transforming the textbook and our modes of literacy from print based to visual forms

The Visual Culture Reader Nicholas Mirzoeff, 2002 The diverse essays collected here constitute an exploration of the emerging interdisciplinary field of visual culture and examine why modern and postmodern culture place such a premium on rendering experience in visual form

Visual Culture Margarita Dikovitskaya, 2005 Drawing on interviews responses to questionnaires and oral histories by U S

Visual Culture: What is visual culture studies? Joanne Morra, Marquard Smith, 2006 These texts represent both the formation of visual culture and the ways in which it has transformed and continues to transform our understanding and experience of the world as a visual domain

Visual Citizenship Catherine Bouko, 2023-10-13 This book explores visual political engagement online how citizens participate in the dynamism of life in society by expressing their opinions and emotions on various issues of democratic life in image based social media posts independently of collective actions Looking beyond large digital social movements to focus on the everyday the book provides a well documented and comprehensive framework of key notions concrete methods and examples of empirical insights into everyday visual citizenship on social media It shows how the visual has become ubiquitous in citizens communication on social media focusing on how citizens use visual content to express their emotions and opinions on social media platforms when they discuss politics in a large sense With this book every reader

interested in political communication visual communication and or new media is fully equipped to analyse everyday visual citizenship on social media platforms The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Defining Visual Rhetorics Charles A. Hill, Marguerite Helmers, 2012-08-21 Images play an important role in developing consciousness and the relationship of the self to its surroundings In this distinctive collection editors Charles A Hill and Marguerite Helmers examine the connection between visual images and persuasion or how images act rhetorically upon viewers Chapters included here highlight the differences and commonalities among a variety of projects identified as visual rhetoric leading to a more precise definition of the term and its role in rhetorical studies Contributions to this volume consider a wide variety of sites of image production from architecture to paintings from film to needlepoint in order to understand how images and texts work upon readers as symbolic forms of representation Each chapter discusses analyzes and explains the visual aspect of a particular subject and illustrates the ways in which messages and meaning are communicated visually The contributions include work from rhetoric scholars in the English and communication disciplines and represent a variety of methodologies theoretical textual analysis psychological research and cultural studies among others The editors seek to demonstrate that every new turn in the study of rhetorical practices reveals more possibilities for discussion and that the recent turn to the visual has revealed an inexhaustible supply of new questions problems and objects for investigation As a whole the chapters presented here demonstrate the wide range of scholarship that is possible when a field begins to take seriously the analysis of images as important cultural and rhetorical forces *Defining Visual Rhetorics* is appropriate for graduate or advanced undergraduate courses in rhetoric English mass communication cultural studies technical communication and visual studies It will also serve as an insightful resource for researchers scholars and educators interested in rhetoric cultural studies and communication studies

Tomorrow on Cassette Benjamin Duester, 2025-05-15 Growing sales numbers for cassette tapes in the Global North since the early 2010s have led mass media outlets to repeatedly proclaim a tape revival Yet the grassroots projects of devotees in niche punk noise and hip hop DIY music scenes have continuously upheld the unique material benefits of cassettes while wider society considered them a relic of bygone times Contrasting the popular notion of current cassette use being a mere side effect of the blazing interest in the vinyl record this book argues that the lasting embrace of tapes is based on complex cultural economic and material factors that shape cassettes as hybrid artefacts of music in the new media age Drawing on interviews with 85 experts active in DIY music cultures as independent record shop operators musicians event promoters fans and collectors across Japan Australia and the United States Tomorrow on Cassette presents a seminal exploration of how the cassette tape's significance as a tool for material expression creativity and sociality perseveres in the 21st century

Business Research Methods Emma Bell, Alan Bryman, Bill Harley, 2022 Wissenschaftliche Abhandlungen Hermann von Helmholtz, 1895 *Journal of the American Medical Association* American Medical Association, 1893 Includes proceedings of the Association papers read at the annual sessions and list of current medical literature **South African Visual Culture** Jeanne Van Eeden, Amanda Du Preez, 2005 This title argues that because we are so immersed in visual imagery we need to be able to engage with it critically The authors show in various ways that the visibility of contemporary culture can be seen as one of the primary carriers of ideas Visual culture, 2005 **The Pictorial Turn** Neal Curtis, 2013-09-13 In 1992 W J T Mitchell argued for a pictorial turn in the humanities registering a renewed interest in and prevalence of pictures and images in what had been understood as an age of simulation or an increasingly extensive and diverse visual culture However in what is often characterized as a society of the spectacle we still do not know exactly what pictures or images are what their

relation to language is how they operate on observers and the world how their history is to be understood and what is to be done with or about them In this seminal collection of essays the first to be devoted to the pictorial turn theorists from across the humanities and social sciences representing the disciplines of art history philosophy geography media studies visual studies and anthropology are brought together with a paleontologist and practising artists to consider amongst other things the relation between pictures and images the power of landscape the nature of political images the status of images in the natural sciences the life of images and the pictorial uncanny With these topics in mind picture theory and iconology exceed in scope the objects of visual culture conventionally understood This book was published as a special issue of Culture Theory and Critique
