The Way Into The Holiest:

The Way Into the Holiest Frederick Brotherton Meyer, 1955 **The Way Into the Holiest** F. Meyer, 2017-11-08 In this remarkable manual of faith F B Meyer shows Christian readers how to attain a greater affinity and closeness to God Jesus Christ and the Holy Spirit Commencing with the words of God Himself Meyer sets out to chart a clear path for the spiritual seeker The opening phrase of Genesis In the beginning is the first such quotation which Meyer examines for its role in showing good Christians the way to salvation and closeness with the heavens Permeating all of nature and creation the earliest passages of Genesis place the enormity of God into its fullest context The subsequent chapters see Meyer turn to a variety of topics devoting a few pages of discussion to each The stories of the Old Testament are shown to reveal Jewish customs and morals to the reader while the Book of Hebrews and the Prophet Moses offer their words in all grace Piece by piece lesson by lesson Meyer reveals the way into holiness Most of all however the author looks at Jesus Christ and the many rich spiritually nourishing incidents of his life The expression of His priesthood the merciful manner in which He rendered help to others and the symbolic aspects of His blood all merit their own chapters A highlight of the work is Meyer's examination of Gethsemane the hill in which Jesus prayed and later died upon mounted to the crucifix **The Way Into the Holiest** Frederick Brotherton Meyer, 1893 **The Way Into the Holiest** F. B. Meyer, Revival Press, 2016-06-05 This Epistle bears no name of author or designation of church But it needs neither In every sentence we can detect the Authorship of the Holy Spirit and feel that it has a message not to one age but to all ages not to one community but to the universal Church We do not therefore discuss questions which are amply treated in every commentary but set ourselves at once to derive those great spiritual lessons which are enshrined in these sublime words And probably there is no better way of vindicating the authority of the Pentateuch than by showing that it lay at the basis of the teaching of the early Church and that the Book of Leviticus especially was the seed plot of New Testament Theology There are two strong tendencies flowing around us in the present day the one to minimise the substitutionary aspect of the death of Christ the other to exaggerate the importance of mere outward rite To each of these the study of this great Epistle is corrective We are taught that our Lord's death was a Sacrifice We are taught also that we have passed from the realm of shadows into that of realities These chapters are altogether inadequate for the treatment of so vast a theme but such as they are they are sent forth in dependence on the Divine Blessing in the fervent hope that they may serve to make more clear and plain to those who would find and enter it the Way into the Holiest of all F B MEYER GET MORE BOOKS AT REVIVALPRESS.NET The Way Into the Holiest Frederick Brotherton Meyer, 2013-12-08 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We
