The Way of Chuang Tzu Thomas Merton, 2013-08-20 Classic writings from the great Zen master in exquisite versions by Thomas Merton in a new edition with a preface by His Holiness the Dalai Lama Working from existing translations Thomas Merton composed a series of his own versions of the classic sayings of Chuang Tzu the most spiritual of Chinese philosophers Chuang Tzu who wrote in the fourth and third centuries B C is the chief authentic historical spokesperson for Taoism and its founder Lao Tzu a legendary character known largely through Chuang Tzu s writings Indeed it was because of Chuang Tzu and the other Taoist sages that Indian Buddhism was transformed in China into the unique vehicle we now call by its Japanese name Zen The Chinese sage abounds in wit and paradox and shattering insights into the true ground of being Thomas Merton no stranger to Asian thought brings a vivid modern idiom to the timeless wisdom of Tao **The Way of**

Chuang Tzu Thomas Merton, 2004 Chuang Tzu considered along with Lao Tzu one of the great figures of early Taoist thought used parables and anecdotes allegory and paradox to illustrate that real happiness and freedom are found only in understanding the Tao or Way of nature and dwelling in its unity The respected Trappist monk Thomas Merton spent several years reading and reflecting upon four different translations of the Chinese classic that bears Chuang Tzu s name The result is this collection of poetic renderings of the great sage s work that conveys its spirit in a way no other translation has and that was Merton s personal favorite among his more than fifty books Both prose and verse are included here as well as a short section from Merton discussing the most salient themes of Chuang Tzu s teachings **The Way of Chuang-Tzu**

Chuang Tzu's "Crazy Wisdom" for Elders Donald P. St. John, 2019-10-11 This book draws upon the classic work of the ancient Taoist storyteller philosopher Chuang Tzu 370 286 b c e to critique our society s conventional understanding of aging and its biased interpretations of the qualities exhibited by elders as well as alternative positive ways for an elder to develop his or her often neglected potentials and powers for elder growth To accomplish this the chapters of the book are meant to explore how the crazy wisdom of the Chuang Tzu and to a lesser degree the Lieh Tzu can assist us in reaching four goals 1 Contribute to a recognition of modern society s uncreative stereotypes and declinist prejudices associated with the meaning and process of aging as well as the social conformities that prepare children and adults to ignore the fires of personal growth 2 Present Chuang Tzu s alternative and positive interpretations of psychological and behavioral phenomena often criticized by family and friends which can and often do negatively affect an elder s sense of self Chuang Tzu explores the deeper positive possibilities opened up through forgetting wandering and being useless 3 Suggest ways taos daos by which elders can explore engage with and be energized by an integrated functioning of body heart mind and spirit or spiritual energy shen qi 4 Help elders and others develop an appreciation for and sensitivity to the dynamic harmonious and diverse unity of the wider cosmic earth process as well as to learn how to move with it and thus be uplifted by its felt presence and inspired by its

innate wisdom Pondering and emotionally and spiritually opening to the nature of the human life death cycle in this wider context can be transforming especially for wise elders according to Taoists Chuang Tzu and Lieh Tzu

Finding Your Power to Be Happy: Seven Practices to Bring Unconditional Happiness into Your Life D.E. Hardesty, 2015-04-25 Learn to find the happiness that is natural to you and enjoy better relationships better health more success and a longer life The peculiar thing about us humans is we spend a lot of time working to find people and things that will make us happy In fact we seem to spend the majority of our time doing this However there is no guarantee that any of this effort will work There are lots of people who have hordes of people around them and who have lots of things but have been unable to make themselves happy The truth is happiness can be had with little effort Have you ever been happy for no reason at all Of course you have Without anything changing in life happiness just appears We see it in young children all the time In fact we expect to see it in children If you happen to ask a smiling child why he or she is so happy at best the answer may be Because For an adult this may be an unsatisfying answer but for the child it is the truth happiness exists just because As we age we seem to lose touch with happiness for no reason at all We see a world where everyone is striving for stuff striving for popularity striving striving striving The natural fount of happiness we once enjoyed disappears as we join them However that happiness is not gone All that happened is we lost our connection to it This book is about recovering that connection We all grow up believing that if we work hard and if we are good people we will enjoy good relationships with others good health success and a long life Obviously this is not true There are a lot of rich old people who are not happy What we have what we do and the other circumstances of our lives do not provide authentic happiness Instead happiness comes from inside of us and all by itself enables us to have secure relationships good health more success and longer lives So what is the secret of being happy Being happy is a little like flipping a switch When it's on you are happy and when it's off you are not It's so easy How else can you explain being happy for no reason What you need to do is learn to turn it on and keep it turned on This book discusses seven practices that help you do that There is a lot of wisdom available about how to be happy Most of it is thousands of years old but some is quite new The seven practices we will look at incorporate this wisdom to help you learn how to turn on happiness in your life This kind of happiness does not require changing anything in your life All you have to do is learn to turn it on
