Ferrara,2019-04-19 When Captain Christopher Newport and his crew landed on the muddy banks of the James River in 1607 after four months at sea they aimed to establish a new colony not for God or the greater good of humanity but for the sake of profit The Pilgrims who settled in Cape Cod in 1620 as agents of Plymouth Company found evidence of divine election in the fortunes they accumulated from a lucrative system of town founding in the New World The innovative and often ruthless entrepreneurs who followed these colonists carved out the immense North American frontier wilderness from the Atlantic Ocean to the golden sands of the California coast and they forged industrial and technological revolutions that shook the world *New Seeds of Profit* examines the role of business leaders from George Washington to Donald Trump in shaping the United States into a business nation unlike any other in world history By tracing the influence of industry and commerce on American society through portraits of successful entrepreneurs this book sheds light on the esteemed place Americans reserve for their wealthiest business leaders and it measures the true cost of that adulation by demonstrating how enterprise driven solely by the bottom line imperils people and the environment In a story teeming with the heroes and villains of enterprise *New Seeds of Profit* offers an innovative business model that provides meaningful work to employees and socially responsible returns to investors while encouraging sustainable stewardship of the earth and advancing the common good Meditation Now Elizabeth Reninger,2014-12-23 Ten minutes to a calmer more peaceful you From the creators of the Wall Street Journal bestseller *Mindfulness Made Simple* comes a new book to help busy meditators release tension relieve stress and reconnect with peace and tranquility *Meditation Now A Beginner s Guide* provides friendly advice step by step guidance and a range of ten minute meditations that fit easily into tight schedules Filled with time honored practices and insightful discussions *Meditation Now A Beginner s Guide* makes it easy to learn meditation with Step by step instructions for 18 meditation techniques that can be practiced anytime anywhere 14 Take Ten meditations to promote mindfulness in everyday situations like traffic jams and work presentations Essential advice and guidelines for
