Anthony J. Gittins

The Way Of The Disciple:

The Way of the Disciple Erasmo Leiva-Merikakis,2003-01-01 This book explores in depth six Gospel scenes so as to discover in these the essential elements of Christian discipleship It describes the basic requirements for receiving the Word of God effectively in our hearts namely that we become wet clay in God s hands so that God can impress upon us any form he chooses It also contemplates the vital position of the Mother of the Lord in the life of his disciples The author shows that the call to discipleship is above all an invitation to intimate companionship with Jesus as we read in Mark Jesus called to him those whom he desired in order that they might be with him 3 14 15 What we normally call the active apostolate can never be an end in itself but only the fruits of a life of prayer and adoration These are what must be at the heart of a disciple s life which can never be swept up by mere activism

The Way of a Disciple Bible Study Guide: Walking with Jesus Don Cousins,Judson Poling,2016-10-11 The Walking with God series was developed as the curriculum for small groups at Willow Creek Community Church in South Barrington Illinois Since its release in 1992 it has been used by churches and small groups to help raise up devoted disciples of Christ Group members who work through the program will lay a solid foundation for a lifelong walk with God While small groups may be formed for a variety of purposes the goal of this curriculum is for groups to produce disciples fully devoted followers of Christ by studying God s Word in community To this end the goal of the study is to produce disciples who walk with God have a personal relationship with Jesus and live in step with the Holy Spirit It is also to produce believers who live the Word in all areas of life and contribute to the work that God is doing in the local church Ultimately the goal is to develop believers who impact the world and are prepared and eager to spread the good news of Christ to others This material will help develop these attributes in group members Each lesson includes group Bible study and discussion questions in addition to devotions reflections and personal study for use by individuals between the group sessions

Journey: The Way of the Disciple Richard Littledale,2017-03-01 An accessible and thought provoking devotional look at the nature of discipleship through the lens of pilgrimage What do we learn about God whilst on the move which could not be learnt whilst stationary From Abraham Moses Ruth to Jesus himself and the apostle Paul the Bible is full of stories of people on the move and Journey looks at what we can learn from looking at the Christian life as one of pilgrimage The chapters cover subjects such as provisions needed on the journey communications and companions along the way distractions from the path the growth of new monasticism and death as journey s end With questions for personal reflection included after each chapter this is much more than a book about pilgrimage it encourages the reader to learn to journey through life in an attitude of pilgrimage revealing that it is often in the very act of journeying that we find our deepest spiritual insights

The Way of a Disciple Don Cousins,Judson Poling,2016-10-11 The Way of a Disciple and The Work of a Disciple help churches and small groups raise up devoted disciples Group members who finish these two volumes will lay a solid foundation for a lifelong walk with God

Living the Lord's Prayer Albert Haase OFM,2010-02-04 In this book

Father Albert Haase follows the lines of the Lord's Prayer showing how the ideas have been understood by great people of faith including Francis of Assisi Martin Luther Thérèse of Lisieux and others and revealing how God can use this ancient prayer to transform your very soul and teach you to walk in the way of a true disciple of Christ **Identity** Brian Byrne,2019-08-16 In the beginning they were called disciples and the early believers knew what the word meant Disciples were those who trusted the Lord knew His voice followed Him wherever He led them and were obedient to everything He told them to do Then a Roman government official in Antioch invented a new name He called the disciples in this church Christianoi Christian and the identity of disciples slowly began to disappear Today only one the term Christian is widely used in churches round the world But even this name has been interpreted in as many ways as there are church denominations In his book Dr Brian has examined each of the six names for disciples that the scriptures use sinner saint child of God Christian disciple bond slave He treats each of the six names not merely as useful information but as teachings that can profoundly influence the lives of those who long to be the Lord's disciples In his final chapters Dr Brian takes a careful look at what the cross means for disciples He presents a number of valuable biblical principles that both inform and challenge those who long to follow the Lord as His disciples in the twenty first century Follow Me J Lee Grady,2022-02-01 God has placed the next generation into our hands Who will raise them up if the church does not This book will teach you how to effectively mentor the next generation of Christians You will learn how to disciple others in their faith while getting outside of your comfort zone to increase your relationship with God If we want to change the world with the gospel we must stop focusing on crowds and events and reclaim Jesus method of relational discipleship Jesus final mandate to His followers was Go and make disciples yet today most of the church is oblivious to what discipleship is and few Christians are actually investing their lives in helping other believers grow spiritually A vast paradigm shift is needed in the church today in order to reach the next generation and advance the gospel in the twenty first century In Follow Me J Lee Grady uses many New Testament examples as well as his own experience in mentoring dozens of young leaders and a clear strategy for discipling others that can be used by individuals and churches Grady makes a compelling case that Christianity was never intended to be a spectator sport where huge crowds sit and listen to one preacher on a Sunday Jesus intended all believers to engage in ministry and this includes the work of discipling other believers So many Christians today live in a box of limitation We must understand that the Christian life is an adventure of the Holy Spirit working through them This book will help believers get out of that box and begin the exciting adventure of spiritual multiplication The Way of Discipleship Ron Stohler,2015-03-13 Follow my example as I follow the example of Christ 1 Corinthians 11:1 NIV Jesus walked the shores of Galilee and called ordinary fishermen to drop their nets to follow Him Follow me wasn't a suggestion but a summons from the very Son of God In response they left everything known and comfortable to live with Jesus learn from Jesus be launched by Jesus to go and make disciples in His name Their lives and this world has never been the same Jesus still calls ordinary people by name to follow

him The problem is many churches today are filled with people who claim to believe in Jesus but whose lives don't reflect his character and calling Many fans Few followers Many believers Few disciples That needs to change Which is why the leaders of Grace Church focused their efforts in 2010 to launch the Way of Discipleship to aggressively respond to the Great Commission to go and make disciples of all nations The Way of Discipleship is a time bound intentional relationship focused on learning and embracing 11 essential practices to following Jesus Christ The Way of Discipleship engages one person a discipler who invites another person a disciple to follow them as they follow Christ The Way of Discipleship shapes our character who we are and our calling what we do Like a tree the Way of Discipleship roots us in Christ provides stability to weather the storms of life and branches out to bear fruit in our lives This resource is a tool to facilitate this relationship over a period of one to three years to integrate these practices into one's life and prepare the disciple to replicate it into another relationship It will be costly but the cause is worth it more than anything else the world has to offer Walking as Jesus Walked Dann L. Spader, 2011-09-01 Jesus must be our model for ministry Sounds obvious right Or is it Jesus in all His humanity and all His divinity shows us the best possible way to live Through the way He lived He modeled the priorities of how to multiply much fruit Following Jesus example His disciples then changed the course of history How then can we follow Jesus example We must study His life How did Jesus pray In what types of relationships did He invest Where were His priorities Can my priorities be His priorities Can I walk like He walked What we do with Jesus MATTERS Global ministry trainer Dann Spader practically and helpfully walks us through 10 weeks of exciting ministry altering study to really begin to walk as Jesus walked *The Way of the Disciple* Paul Leavenworth, 2015-02-13 The Way of the Disciple is designed to help followers of Christ establish a Biblical foundation for life and leadership This workbook is an inductive Bible study of the Sermon on the Mount and is intended to facilitate discovery learning for a foundation in spirit and truth that will stand the test of time and help you to establish a Bible centered lifestyle for honoring God and finishing well This workbook is formatted using the IDEA approach to discovery learning Each chapter includes four sections Introduction I various translations and paraphrases of the passage to be studied Discovery D study questions to help you better understand the passage Explanation E exegetical notes for the passage to help you interpret the passage Application A questions to help you apply passages to your life and leadership This workbook utilizes the inductive Bible study method involving Observation What do I see Interpretation What does it mean Correlation How does this relate to what the rest of the Bible says Application What does it mean to me The Way of the Disciple is not meant everyone It is not an easy way to gain insights about the Sermon on the Mount Actually it is an invitation to do some time consuming digging into the meaning and application of each passage by developing Bible study skills useful for studying additional passages in the Bible Take your time and prayerfully and carefully read study discuss apply and evaluate your progress Becoming a Bible centered leader is not an objective as much as it is a lifestyle Over the years as you study the Bible faithfully you will be transformed and God

will reveal the meat of his word as you remain teachable

Learning to Be a Disciple Luella Campbell, 2015-09-22

Discipleship and sonship are intimately connected Jesus was a Son to His Father and a rabbi to His disciples His goal was to teach His disciples how to be sons by introducing them to the Father and calling them to follow Him and imitate Him as Gods beloved Son They were to be His replicas on earth training others to follow Him Jesus was a Jew born and raised in the Jewish language and culture of His day Out of this richness He invited and trained uneducated men to take His yoke learn from Him and go into the world to set people free from their yokes of bondage Westernization has obscured the Biblical meaning of discipleship and spawned believers who have lost the truth and simplicity of following Jesus The church has been fragmented by theology and tradition instead of being united by the Spirit of Jesus Jesus stripped Judaism of its impositions by taking people back to the Torah and explaining what God meant not what rabbis imposed on it This book is an attempt to re introduce believers to Jesus yoke by teaching them to embrace the spirit of Torah which reflects not rules or religion but mercy based on the love of the Father

The Way of the Disciple Clara M. Codd, 1988-01-01

The Way of

Discipleship Zacharias Tanee Fomum, 2016-02-11 This book presents the conditions to become and remain a disciple of the Lord Jesus The Lord Jesus had never intended to make converts He has always wanted to make disciples He has given the opportunity to those who are truly born again to become His disciples if they so desire Thus He has divided all true believers into two classes 1 the disciples 2 non disciples This fundamental choice is clearly presented in the following state ments If anyone comes to Me and does not hate his father and mother his wife his children his brothers and sisters and even his own life he can not be my disciple Luke 14 26 If you abide in my word you are truly my disciples John 8 31 So likewise whoever of you does not renounce all that he has can not be my disciple Luke 14 33 The last part of this book presents the pitfalls that the disciple encounters on the way to the heavenly calling and these include the trap of fundamental disobedience the love the world the love of self the impurity of thoughts entangled emotions and many others Read this book And may it bless you abundantly

The Way of the Disciple Helen Jeanette Cunningham, 1991

Joining Jesus on the Way Phil Mayo, 2019-12-10

What does it mean to take up your cross daily Sell your possessions and give to the poor really Deny yourself Jesus says How does all of this fit together in a world two thousand years removed Joining Jesus on the Way takes a look at the discipleship teachings of Jesus through the lens of the Gospel of Luke Luke s unique emphasis on discipleship has long been recognized among the Gospel traditions One might even call Luke s Gospel a discipleship manual In Luke Jesus prepares his disciples for the power packed ministry they will live out in Luke s second volume Acts Jesus teaches his disciples about self denial obedience to his commands proper attitude toward possessions faith and prayer and after his resurrection promises them the presence and power of the Holy Spirit to continue the ministry he began Most of Jesus discipleship teachings are found in the travel narrative portion of the Gospel of Luke In these ten chapters Jesus is traveling up to Jerusalem and his ultimate destiny the cross This is a journey on which Jesus invites all would be disciples to join him On the way we learn what it means to be

true followers of Jesus The ultimate goal of the journey is the cross which every disciple must bear but the journey does not end here Death to self means resurrection to new life in Christ Two thousand years later Jesus is still calling his followers to join him on the way but we don't always know how to answer that call It's not necessarily our fault as we seem to hear very little these days about true discipleship Some are answering the call but don't know what to do next Their pursuit of Jesus is avid but they need someone to help them along the way This book is written to be that help In *Joining Jesus on the Way* Mayo considers the implications of Jesus discipleship teachings for would be disciples both then and now This book is written to challenge 21st century believers to deepen their walk with Jesus and to choose to take up that proverbial cross and follow him daily

The Way of the Disciple Clara M. Codd, 1964 *The Way of Discipleship* Anthony J. Gittins, 2016-11-04 Vatican II's famous declaration that the church on earth is by its very nature missionary has often been taken out of context and used to support all manner of church initiatives But the conclusion of the statement since it has its origin in the mission of the Son and the Holy Spirit is of monumental importance In *The Way of Discipleship* theologian Anthony Gittins describes the eternal mission of the Trinity historically brought down to earth in the ministry of Jesus and then continued to the ends of the earth by those called and sent as disciples throughout future generations Gittins explains that Christian discipleship must be the living out of Jesus own example in many different times and places He encourages people of all ages to follow the invitation of Jesus to be missionary disciples *The Way of Discipleship* explores several New Testament examples of Jesus call and commissioning distills the principles involved and then recontextualizes the stories so that they pose a direct challenge to disciples today In this way Gittins builds up a picture both of the Way of Jesus himself and of the way in which today's disciples can loyally follow his call to mission
