Job Mona P. Bias, 2024-04-30 The book of Job engages with the issue of pain and suffering Job asked the same question that we have probably asked a hundred times why do the righteous suffer In his pain he decided to file a case against God but he rescinded in a moment of truth He realized God's purpose for allowing pain was to have a deeper experience of the living God This commentary expounds and explains how one can see a good God in the midst of life's sufferings The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing a pastoral and contextual exposition of every book of the Bible

disciplines of Theology and Religious Studies The Difficulties of and the Encouragements to a Reformation Anthony Burgess, 2008-09-10 How hard is it to Reform people This is obviously the work of God But how hard is it to take the people of God toward biblical Reformation The answer is that there are many difficulties to hurdle but there are encouragements to doing this for the glory of God Burgess a master exegete teaches from Mark 1 2 3 As it is written in the Prophets Behold I send my messenger before thy face which shall prepare thy way before thee The voice of one crying in the wilderness Prepare ye the way of the Lord make thy paths straight He answers questions like Are we reformed enough Is God content for us to be sanctified just enough What can church members and pastors do to promote true biblical reform in their congregations This second edition is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions *ACT for Clergy and Pastoral Counselors* Jason A. Nieuwsma, Robyn D. Walser, Steven C. Hayes, 2016-07-01 People struggling with mental health problems frequently turn to their clergy or spiritual teachers for guidance However clergy often receive little seminary training on how to deal with the challenges of counseling someone with a mental health issue For the first time ever three pioneers in the field of acceptance and commitment therapy ACT present an edited volume that outlines how the core ACT processes can be applied to religious and spiritual care approaches **The Virgin Birth According to Temple Christology** David H. Wenkel, 2024-09-17 The Virgin Birth According to Temple Christology builds an exegetical theological and catholic case for understanding Jesus incarnation as an act of divine temple construction It attempts to explain that Jesus the temple had to have a virgin mother because of Jesus unique status as the temple of God who was made without human hands This study answers the call to reintroduce the nexus between Christology and typology as they were originally bound together by theologians such as Athanasius of Alexandria Unfortunately for most of church history Christology and typology have gone their separate ways This divergence is so stark that the imagery and words of scripture have lost their voice in the context of Christian dogmatics David H Wenkel demonstrates that a typological study of biblical persons events and institutions can increase our understanding of Jesus especially of his virginal conception Thus this study is a resource for a wide range of Christian traditions *Creation Groans On* Ken Bazyn, 2021-03-18 We live in a sacramental universe where each and every object we encounter can in the twinkling of an eye signify God's presence In the introductory essay Christ himself is imaginatively likened to that king of the savanna the lion Bazyn's nature poems via bright and subtle similes move freely between the abstract and the specific the static and the dynamic the solemn and the whimsical in an entrancing series of acrobatic maneuvers Spring rain elicits the Great Awakening a bumper harvest heralds the first Thanksgiving a mist covered waterfall excites a chance reverie a flower in bloom infuses the ordinary with the supernatural an animal game amusingly depicts quotidian diversity hope warbles full throatedly during an eclipse human grandeur seems dwarfed by El Capitan a collection of disparate incalculable items clarify the limits of reason creation itself groans on in anticipation of future transfiguration To enhance each poem's significance a

striking black and white 35mm image is added whether a luminous landscape or an exquisite close up as both flora and fauna offer up their ceaseless praise Language itself cracks and bends into ever more unusual shapes and forms Bazyn s vision recalls that of Gerard Manley Hopkins who endeavored to decode nature s hidden symbolism
