Through The Ages In Palestinian Archaeology An Introductory Handbook Paperback November 1 199:

Through the Ages in Palestinian Archaeology Walter E. Rast, 1992-11-01 The public's continuing fascination with Near Eastern archaeology has often been frustrated by highly technical and specialized studies. This volume masterfully rectifies that situation. Here in concise and readable form is a comprehensive introduction to Palestinian archaeology, the region encompassed by the State of Israel, the West Bank, and the Hashemite Kingdom of Jordan, from the Stone Age to the Islamic period. Readers are provided with clear explanations of unfamiliar terms, geographical locations, dates, archaeological procedures, links with biblical text, and the like. Photo illustrations enhance the presentation throughout. Selected bibliographies for each chapter direct readers to appropriate resources for additional information. *Through the Ages of Palestinian Archaeology* constitutes a handy reference both for those already familiar with archaeology and for those who know little of why archaeologists do what they do and what can be learned from their work and their discoveries. Walter E. Rast is Professor in the Department of Theology at Valparaiso University in Indiana. He is second vice president of the American Schools of Oriental Research and former editor of the *Bulletin of the American Schools of Oriental Research*. With R. Thomas Schaub, he is author-editor of *The Expedition to the Dead Sea Plain Series*, whose first volume, *Bab ed Dhra*, is now in print.

Book Review Index - 2009 Cumulation Dana Ferguson, 2009-08 *Book Review Index* provides quick access to reviews of books, periodicals, books on tape, and electronic media representing a wide range of popular, academic, and professional interests. The up-to-date coverage, wide scope, and inclusion of citations for both newly published and older materials make *Book Review Index* an exceptionally useful reference tool. More than 600 publications are indexed, including journals and national general interest publications and newspapers. *Book Review Index* is available in a three-issue subscription covering the current year or as an annual cumulation covering the past year.

Index to Jewish Periodicals, 2004 An author and subject index to selected American Anglo-Jewish journals of general and scholarly interests.
