Time Management Gods Way:

Time Management God's Way Gloria Adams, 2013-01-28 Time Management God's Way stands apart from other books. It is based on God's perspective that He is the giver of time and the authoritarian on how we should manage it according to Kingdom values and standards ordained before the foundation of the world. Time Management GOD's Way gives great insight into how believers can live a stress-free and prosperous life by applying the principles of Matthew 6:33 sowing your time in God's kingdom and reaping more time to do all that you were created to do. Rev. Gloria Adams has a heart for the Great Commission to share the gospel of Jesus Christ with all who will listen. She uses the platform of teaching the Word of God at seminars, Bible studies, workshops, through writing books, and going on mission trips as directed by the Holy Spirit in order to reach people for Christ. The most valuable commodity we possess is time. It is the currency of life. We become whatever we purchase with our time. In essence, how we use our time determines our life. In this work, Gloria Adams offers one of the most valuable contributions I have ever read on the subject, and I highly recommend it to all who want to improve their management of life's most valuable asset. Dr. Myles Munroe, Nassau, Bahamas. [Time Management for the Christian Leader](#)

Ken Willard, 2015-05-05 God gives each of us the same 168 hours every week. Some of us seem to use that time with incredible efficiency and power. But for many others, this is an area of frustrating deficiency. *Time Management for Christian Leaders* challenges leaders to evaluate goals and teaches practical techniques for improvement. Author and coach Ken Willard reveals ways we inadvertently waste time and offers solutions in a step-by-step process at the reader's own pace. This book is engaging, easy to read, and even entertaining. Most importantly, it is full of information that can transform the Christian leader's ministry and life. You will want to keep this book close at hand to read again and again. These strategies, insights, and coaching questions help readers to really manage their time. Or, as the title suggests, to Squeeze Blood from a Turnip. J. Val Hastings, MCC Founder, President, Barber Church Consulting. Life in ministry moves fast, and this potent book can help us to do more of what we are meant to do. Aubrey Malphurs, Founder of The Malphurs Group, Professor of Leadership and Pastoral Ministries, Dallas Seminary. [Divine Time Management](#)
