Time To Make It Stop The How Of Now:

Don't Make Me Stop Now Michael Parker, 2012-09-01 These eleven arresting comic and moving stories by acclaimed writer Michael Parker testify to the driving force of love the lengths to which we'll go to claim it and pursue it the delusions we'll float to keep it going the torment that goes part and parcel with it And despite all of the above the absolute necessity of it no matter its consequences Whether it's a college student undone by the boy who leaves her or the boyfriend intent on leveling old scores from high school for his lover or the husband who discovers in the grocery store the woman he should have been with all along every character no matter how off track wants to believe in debt and credit and payback and making the messy world and the messy world of love turn out neatly

Too Late To Stop Now Allan Jones, 2023-05-25 More than 40 stories from the glory days of rock n roll featuring Lou Reed Elton John Sting and The Clash Allan Jones brings stories many previously unpublished from the golden days of music reporting Long nights of booze drugs and unguarded conversations which include anecdotes experiences and extravagant behaviour A band's aftershow party in San Francisco being gatecrashed by cocaine hungry Hells Angels Chrissie Hynde on how rock n roll killed The Pretenders What happened when Nick Lowe and 20 of his mates flew off to Texas to join the Confederate Air Force John Cale on his dark alliance with Lou Reed Allan Jones remembers a world that once was one of dark excess and excitement outrageous deeds and extraordinary talent featuring legends at both the beginnings and ends of their careers

On Anachronism Jeremy Tambling, 2013-07-19 *On Anachronism* joins together Shakespeare and Proust as the great writers of love to show that love is always anachronistic and never more so when it is homosexual Drawing on Nietzsche Freud Heidegger Derrida Blanchot and Levinas and Deleuze difficult but essential theorists of the subject of being and time and time and the other the book examines why speculation on time has become so crucial within modernity Through the related term anachorism it considers how discussion of time always turns into discussion of space and how this too can never be quite defined It speculates on chance and thinks of ways in which a quality of difference within time heterogeneity anachronicity is essential to think of what is meant by the other The book examines how contemporary theory considers the future and its relation to the past as that which is inescapable in the form of trauma It considers what is meant by the event that which is the theme of all post Nietzschean theory and which breaks in two conceptions of time as chronological

Inside-Out Smanu, 2014-08-21 This book is a speck of fire from mans inherent quest to be at a perfect self contented oneness with nature Todays rat race towards technological development might have thrust man to lack awareness of that quest Infact the human journey and conditioning itself has an inherent character of making him lack awareness of his pristine aspects This book is a humble effort in reminding man of his own quest in facilitating him to get in touch with the truth long suppressed and forgotten The growing imbalance in the society is finding its expression not merely as the materialistic gap between haves and have nots but also in the form of Kundalini Consciousness Awakening in more and more people The spiritual deficit of the human collective is manifesting as spiritual burden on some We know the many scientific laws of conservation dont we Among other things the book propounds a possibility that our incapacity to comprehend God might be the limitation of human evolution as of now As much as the book talks about God Spirituality and Mysticism the book is more an effort in questioning the sufficiency of science for current needs of human evolution Time has come for man to expand his horizons not through Technology but by regaining his roots of spiritual strength and in the process expand the horizons of science No development can be linear and no one instrument can prove self sufficient for human evolution In that sense Science has reached its threshold Yet Science with Heart is waiting to be discovered and explored through the reinstatement of Trinity and Balance in the world This book might not contain any new spiritual talk or wisdom for the spiritually inclined But it might make a very interesting read for those who are not spiritually inclined yet And when we realize that the term spiritually inclined is a misnomer for we are the spirit the purpose behind this book would
