Travelling to Work Michael Palin, 2015-11-24 Originally published Great Britain Weidenfeld Nicolson 2014 *The Complete Michael Palin Diaries* Michael Palin, 2015-12-10 Volume I THE PYTHON YEARS 1969 1979 Michael Palin's diaries begin when he was newly married and struggling to make a name for himself in the world of television comedy But Monty Python was just around the corner Enjoying an unlikely cult status early on the Pythons then proceeded to tour the USA and Canada As their popularity grew so Palin relates how the group went their separate ways later to re-form for stage shows and the celebrated films THE HOLY GRAIL and LIFE OF BRIAN Living through the three day week and the miners strike and all the trials of a peripatetic life are also essential ingredients of these perceptive and funny diaries Volume II HALFWAY TO HOLLYWOOD 1980 1988 After a live performance at the Hollywood Bowl The Pythons made their last performance together in 1983 in the hugely successful MONTY PYTHON'S MEANING OF LIFE Writing and acting in films and television then took over much of Michael's life culminating in the smash hit A FISH CALLED WANDA for which he won a BAFTA for Best Supporting Actor and the first of his seven celebrated television journeys for the BBC He co-produced wrote and played the lead in THE MISSIONARY opposite Maggie Smith who also appeared with him in A PRIVATE FUNCTION written by Alan Bennett Such was his fame in the US he was enticed into once again hosting the enormously popular show Saturday Night Live in one edition of which his mother makes a highly successful surprise guest appearance He filmed several journeys for television and became chairman of the pressure group Transport 2000 His family remains a constant as his and Helen's children enter their teens Volume III Travelling to Work 1988 1998 TRAVELLING TO WORK is a roller coaster ride driven by the Palin hallmarks of curiosity and sense of adventure Michael was not the BBC's first choice for the travel series AROUND THE WORLD IN 80 DAYS but after its success the public naturally wanted more Palin however had other plans There was his film AMERICAN FRIENDS a role in Alan Bleasdale's award winning drama GBH the staging of his West End play THE WEEKEND a first novel HEMINGWAY'S CHAIR and a lead role in FIERCE CREATURES He did find time for two more travel series POLE TO POLE in 1991 and FULL CIRCLE in 1996 and wrote two bestselling books to accompany them These ten years in different directions offer riches on every page Python beyond Python Paul N. Reinsch, B. Lynn Whitfield, Robert G. Weiner, 2017-07-14 This collection of original interdisciplinary essays addresses the work of Monty Python members beyond the comedy show films and live performances These men are prolific creators in a variety of artistic realms beyond the confines of the comedy troupe Their work as individuals before and after coming together as Monty Python demonstrates a restless curiosity about culture that embraces absurdity but seldom becomes cynical Python members collectively and individually create unique approaches to theatre film video games comic books business training videos and more Python Beyond Python increases our understanding of this often neglected work and the meanings of Monty Python Q Craig Brown, 2024-10-01 With equal measures of wit and wisdom the author of 99 Glimpses of Princess Margaret draws a deeply

original hilarious and telling portrait of the Queen herself She was the most famous person on earth she first appeared on the cover of Time magazine at the age of three When she died few people were old enough to recall a time when she was not alive Her likeness has been reproduced in photographs on stamps on the notes and coins of thirty different currencies more than any since Jesus It is probable that over the course of her ninety six years she was introduced to a greater number of different people than anyone else who has ever lived likely well over half a million Yet this most closely observed of all women rarely left any real impression on those she encountered beyond vague notions of her radiance and sense of duty A high proportion of those she met can remember what they said to her but not a word of what she said to them Up until now the curious tactic employed by biographers of the Queen has been to ignore what is interesting and to concentrate on what is not Craig Brown the author of 150 Glimpses of the Beatles and Hello Goodbye Hello rejects this formula bringing his kaleidoscopic approach to the most famous and most guarded woman on earth examining the Queen through a succession of interlocking prisms With Q this fantastically funny marvelously insightful journalist gives us an unforgettable portrait of the omnipresent elusive Queen Elizabeth II
