 works of Henning Mankell Hakan Nesser and Stieg Larsson have sparked an explosion of Nordic crime fiction grim police

 many of these novels are reaching international audiences through film and television adaptations This reference guide
 introduces the world of Nordic crime fiction to English speaking readers Caught between the demands of conscience and
 societal strictures the detectives in these stories like the heroes of Norse mythology know that they and their world must

 flowed from the aftermath of the suburban construction boom of the 1980s the homogeneous nature of the new suburbs full
 of affluent white people the antithesis of urban cosmopolitanism and the cost of building roads and servicing land as we push

farther into the rural frontier This schism between the suburbs and the urban core began in California where Republicans perpetually win state elections on the strength of the suburban vote despite well entrenched liberal strongholds in Los Angeles and San Francisco The burghers of suburbia are stuck on the idea of government spending as a burden on honest people and on the image of urban dwellers as welfare cheats overpaid bureaucrats and members of a condescending cultural elite And they re looking for revenge Modern Travel Norman James Davidson,1921 **The North Stone Review** ,2001
