through the Book of Psalms When I first started writing the devotionals in early January 2020 life was normal and all was well However two short months later COVID 19 had spread throughout the world causing fear uncertainty sickness and death It was at that time I came to realize that David s words were more than just a collection of poems that contained a few inspirational verses David lived with fear and doubt He faced uncertainty and the threat of death Just like us David didn t know how things would turn out when he was on the run from Saul his son Absalom or fighting the Philistines Yet throughout his life he trusted and wrote about God s faithfulness and despite his circumstances made praising God a priority What are you facing today Are you living with fear and doubt about your future Are you hurting from a broken relationship Take heart you can find hope and reassurance of God s love in the Psalms Start each day by reading about God s faithfulness love provision and forgiveness Allow His Word to encourage you But more than that allow His Word to refresh you and give you reason to praise your heavenly Father Charles Hall is a first time author who lives in Wilmington NC with his wife Vivian He was directed by God to write a daily devotional on the Book of Psalms to leave to his children and grandchildren He currently serves as the Financial Administrator for two churches in the Wilmington area and as Treasurer of Imagine Ministry an international ministry serving in Nicaragua
