Trinity The God We Dont Know:

Trinity Dr. Jason Byassee, 2015-05-19 Most people assume they know what they mean when they use the word God They mean a powerful old guy in the sky ready to obliterate us if we do wrong but basically benevolent if a little senile The Christian doctrine of the Trinity shows us God is vastly more interesting God is actually fleshed among us in Jesus poured out on us in the Holy Spirit s intoxication of the church God is three divine persons in perfect harmony and beauty and God invites us into that unimaginable intimacy We don t know this God but we should Trinity uses scripture the Early Church tradition and some modern theology to argue that God is a mystery whom we can t understand but who can shape our misunderstanding to allow for faithful living and holy love of God and neighbor Jason Byassee thinks like a theologian writes like a journalist and communicates like a storyteller We live in a time of trinitarian dissonance when the central doctrine of the Christian faith is strangely neglected by most Christians Byassee s wonderful exploration of the Trinity offers a remedy for that by providing a meat and potatoes introduction to the God who is at once Father Son and Holy Spirit An excellent spiritual guide for both mature Christians and those brand new to the Christian faith Rev Dr Andrew C Thompson Assistant Professor of Historical Theology Wesleyan Studies Memphis Theological Seminary Memphis TN and Wesley Scholar for the Arkansas Conference of the United Methodist Church In trying to communicate the trinitarian relationship Byassee succeeds in making the indescribable a little more coherent while reminding us of the all consuming love of God Trinity is a little book of rigorous thought and deep devotion It is rare these days to find a work of theology that stirs the intellect the heart and the spirit And I have to admit in reading this book I fell in love with the Holy Spirit all over again Enuma Okoro Nigerian American writer speaker and award winning author of *Reluctant Pilgrim* *Silence and Common Prayer* *A Liturgy for Ordinary Radicals* *Christ Plays in Ten Thousand Places* Eugene H. Peterson, 2008-01-29 Lamenting the vacuous often pagan nature of contemporary American spirituality Peterson firmly grounds spirituality once more in Trinitarian theology and offers a clear practical statement of what it means to actually live out the Christian life **Late Have I Loved Thee** Augustine of Hippo, 2006-12-05 The first collection of Saint Augustine s varied writings on human and divine love chosen to reflect his lifelong preoccupation with *ordo amoris* the principle of rightly directed love My weight is my love Saint Augustine writes in *The Confessions* He sees our ability to love as disordered by sin so that we often choose badly what and how to love Only by recognizing that we are commanded to love God first can any other object of our love be properly ordered *Late Have I Loved Thee* draws on the riches found in Augustine s sermons letters treatises and Scripture commentaries as well as passages from *The Confessions* and *City of God* Augustine 354 430 A D was the most prolific writer of Christian antiquity and the most influential theologian in Church history In his first encyclical *God Is Love* current Pope Benedict XVI acknowledges his indebtedness to him When we read Augustine today we encounter the same direct eloquent passions his original listeners experienced infused with his deep sense of human weakness and burning desire for union with God *Fear Not!* Lewis A.

Hippo by Rev Fr Alban Butler PUBLISHER CATHOLIC WAY PUBLISHING **The Theological Epistemology of Augustine's De Trinitate** Luigi Gioia, 2008-11-06 Luigi Gioia provides a fresh description and analysis of Augustine's monumental treatise *De Trinitate* working on a supposition of its unity and its coherence from structural rhetorical and theological points of view. The main arguments of the treatise are reviewed: first Scripture and the mystery of the Trinity; discussion of Arian logical and ontological categories; a comparison between the process of knowledge and formal aspects of the confession of the mystery of the Trinity; an account of the so-called psychological analogies. These topics hold a predominantly instructive or polemical function. The unity and the coherence of the treatise become apparent especially when its description focuses on a truly theological understanding of knowledge of God. Augustine aims at leading the reader to the vision and enjoyment of God, the Trinity, in whose image we are created. This mystagogical aspect of the rhetoric of *De Trinitate* is unfolded through Christology, soteriology, doctrine of the Holy Spirit, and doctrine of revelation. At the same time, from the vantage point of love, Augustine detects and powerfully depicts the epistemological consequences of human sinfulness, thus unmasking the fundamental deficiency of received theories of knowledge. Only love restores knowledge and enables philosophers to yield to the injunction which resumes philosophical enterprise as a whole: namely, know thyself.

Being God's Beloved Adrian D. van Breda, 2014-10-21 Many of us struggle to come to grips with the idea that God loves us. We may know it and believe it in our heads, but getting that into our hearts and into our lives is not easy. Sometimes what we have learned about God makes it even harder to really know that we are God's beloved. Being God's Beloved will lead you through forty reflections on what it means to be beloved of God, combining deep spirituality, thoughtful Bible study, and warm pastoral care. The reflections lead you on a journey from before creation through the Old Testament into the life and ministry of Jesus Christ, and on to the presence of the Holy Spirit. It tells the great love story of God for the Creation over thousands of years. Providing fresh insights into well-known passages, making thoughtful use of word studies, and inviting us to think creatively about God in relation to the world, this book will immerse you in an awareness of God's love. *The Abingdon Preaching Annual 2024* Charley Reeb, 2023-04-04 The local pastor's go-to resource for weekly sermon planning. *The Abingdon Preaching Annual 2024* is lectionary-based and follows the calendar year, January–December. It includes special days like Maundy Thursday and Ash Wednesday, and indexes for scriptures and themes to assist preachers with non-lectionary sermons. Each entry begins with a preacher-to-preacher prayer for preparation, then moves to the key feature: a commentary on one or more texts for the week, exploring themes and storylines, theological reflections, and thoughts about how the text and topic relate to our lives today. Also included are ideas for bringing the text to life, stories, illustrations, ideas for further reading, questions the preacher might pose to the congregation, and suggestions for a call to action in response to the message. Finally, for the preacher's ongoing enrichment, the Annual includes excerpts from new books on preaching and homiletics. This helpful resource is written by every week's preachers who aim to come alongside you, offering a reliable

starting point for your sermonic planning writing and delivery

The Culture of God Nadim Nassar, 2018-09-06 So much of the reporting of the Middle East at the moment reflects war and human misery it is inspiring to find in this thoughtful and engaging book a message of hope from what Fr Nadim calls that region of the world that God chose to live in when he took human form Edward Stourton The ultimate question of this book is why does it matter to me a human being to know the culture of God and what impact should that have on my own life and existence The culture of God is the antithesis of the culture of the Pharisees yet again and again we fall into the trap of condemning or excluding others Understanding the culture of God helps us to uncover God's image within us a shining jewel buried deep under the dirt of our selfishness and greed and helps us to shine as God intends us to re-forming our relationships with God and with each other in our amazingly diverse world It is as we read the Bible argues Father Nadim Nassar that we are invited to discover what the culture of God the community of love that makes up the Trinity looks like and how it might transform our lives and our faith But in order to do so we need to understand the culture of the Bible itself as well as the particular culture that forms our own worldview Ultimately it is Jesus who has direct access to the culture of God and so we also need to understand Jesus within his first century Levantine context Father Nadim Nassar is the Church of England's only Syrian priest and an outspoken advocate for western Christians to recognise the Middle Eastern roots of their faith The fresh and provocative reflections in *The Culture of God* his first book are informed by his experience of growing up in Syria and living through the conflicts in the region especially the civil wars in Lebanon and Syria Taking us on a journey through the mystery of the incarnation to Jesus' role as storyteller Al Hakawati his relationship with a disparate cast of people as narrated by the gospels and finally his death and resurrection Father Nadim unfolds for us the culture of God and what it can mean for a world that so desperately needs both freedom and a way to embrace diversity Fr Nadim's personal experience of the painful effects of war and conflict in the Middle East is an insightful lens into the brokenness of humanity that leads to the ongoing violation of the God-given sanctity and dignity of life At the same time the paradox of the Crucifixion and Christianity is presented as a key to understanding the restoration of that same humanity and the possibility of reconciliation with God and one another if the life and teachings of Christ are truly lived Archbishop Angelaelos Coptic Orthodox Archbishop of London

Doctrinal Treatises of Saint Augustine Saint Augustine of Hippo, Aeterna Press, The following dissertation concerning the Trinity as the reader ought to be informed has been written in order to guard against the sophistries of those who disdain to begin with faith and are deceived by a crude and perverse love of reason Now one class of such men endeavor to transfer to things incorporeal and spiritual the ideas they have formed whether through experience of the bodily senses or by natural human wit and diligent quickness or by the aid of art from things corporeal so as to seek to measure and conceive of the former by the latter Aeterna Press

Benedictine edition It is the most elaborate and probably also the ablest and profoundest patristic discussion of this central doctrine of the Christian religion unless we except the Orations against the Arians by Athanasius the Father of Orthodoxy who devoted his life to the defense of the Divinity of Christ Augustine owing to his defective knowledge of Greek wrote his work independently of the previous treatises of the Eastern Church on that subject He bestowed more time and care upon it than on any other book except the City of God Besides this treatise the following works are included The Enchiridion or On Faith Hope and Love On the Catechising of the Uninstructed Treatise on Faith and the Creed Concerning Faith of Things not Seen On the Profit of Believing On the Creed

I Don't Believe That Either . . . However Tucker E. Dawson Jr., 2024-01-24 This book is written for the thinking person who is struggling to believe It does this by presenting Christianity as a matter of relationships Good behavior and correct belief do not build relationships but grow from them The Bible tells the unfolding story of a relationship given lost and reoffered again and again This is more clear when we begin here below where we are accentuating God s immanence over his transcendence In such an approach optional understandings of church teachings become evident options that are biblically and theologically sound but are seldom offered There is more than one way to skin

a dogma These alternatives to many teachings provide hope to those outside the church who wish for something more than competition for material possessions and for those inside the church and struggling to stay We are socialized into a scientific world view in which there is little room for spirituality This tension between science and religion is addressed by the presentation of Christianity that is not anti intellectual rigid or defensive This book shows that we do not need to choose between our worldview and our faith
